

Sunday, January 3, 2021 4th Grade Weekly Information

FROM THE TEACHERS:

Welcome Back: Happy New Year! We hope everyone had a wonderful Christmas, New Years and restful break.

Mission Project: Students will begin working in the classroom on their Mission Report and project the week of January 4, 2021. The report including the research and writing portions will be completed in class with the help of their teachers. The project portion will also be completed in class. We are asking you to send the supplies needed for your student's project into school during the week of January 4th. The supplies will vary by student based on the project they choose to complete. The list of projects did go home with students during the week of December 14, 2020 and can be found on Canvas under your student's Social Studies page. Students will be given time during the month of January to complete both parts of the Mission Assignments in class. Thank you for helping your student with this wonderful fourth grade project.

Advent Sock Service Project:

Thank you to all the fourth grade families who were able to donate socks for families in shelters before Christmas. They were delivered the week before Christmas and were greatly appreciated by everyone.

4th GRADE NEWS & REMINDERS:

Teacher Birthdays: Mrs. Torres celebrates her birthday on January 11!

Grace and Blessings,
Jennifer Galonsky
