

## Sunday, November 13, 2022 Weekly Update for 4th Grade

### FROM THE TEACHERS:

**Saint Report:** In religion class, students will be working on their Saint Report. They will choose a saint to research, write a report about, and then present their findings to the class. Each student will dress up as their saint and tell the class about the life of their saint. The presentation will be recorded in SeeSaw and made available for parents to view. This will be a two week project.

**Mission Project:** This week, students will receive their mission for the mission project. Please look for the mission assignment letter in the Thursday homework folder this week. If your family wishes to visit your student's mission, you have until after Christmas break as we will begin working on the Mission Project and written report when we return to school on January 9, 2022.

This is the **final week** of the first trimester, as it ends on November 18, 2022. Please work with your student to make sure they have completed and handed in all of their missing assignments from this trimester. Also, students need to finish reading their AR books and take the tests on these books. The AR points will be tallied up and count as a grade in their ELA classes.

The fourth grade teachers would like to wish all of our families a happy and safe Thanksgiving week! We look forward to seeing everyone when we return on Monday November 28, 2022.
