

STAR Testing, January 13-29, 2021

Students in Kindergarten through 8th grade will take Renaissance STAR tests in reading and math between January 13 and January 29. These standardized tests are administered at different times during the school year and provide teachers with data that helps them make sound instructional choices for St. Serra students.

In order to receive your child's test results, you must sign up to receive notifications from Renaissance Home Connect before your child takes a test. **All test results will be sent directly from Renaissance and not by St. Serra.**

If you signed up to receive email notifications back in September/October, then you do not need to take any further steps. If you have not yet signed up for email notifications and you would like to receive your child's test results, please complete the following steps immediately:

1. Logon to the Renaissance Home Connect Website: <https://global-zone53.renaissance-go.com/studentprogress/homeconnect?t=274505>
2. Use your **child's** username and password to login and view results. (If your child does not remember his or her username or password, contact Lynne Pantano, Director of Academic Testing and Analysis, at LPantano@serraschool.org).
3. In the top right-hand corner of the page, click on the orange icon labeled "Get email updates" and enter your email to get notifications of your child's scores.

Again, these steps must be completed **prior to your child's tests** if you want to see the results of those tests.

If you have any questions, contact Lynne Pantano, Director of Academic Testing and Analysis, at LPantano@serraschool.org.
