3rd Grade Weekly Information

FROM THE TEACHERS:

1. Remember to check your child's expandable file on Thursdays for corrected work sent home. You will find a note attached for you to review and keep.
2. Please do not remove any items from their expandable file. (Only if noted by the teacher to remove) The expandable file is a place where the students will put their unfinished work in and will need to go back and complete. The students are saying, "My mom took it out." Not sure if this is true but we wanted the parents to be aware of this. Unfortunately, if the students cannot find their unfinished work, they will need to restart the assignment.
3. We've noticed on the students' laptop screens are starting to appear dirty with fingerprints, etc. Please clean off nightly to avoid any germs spreading.
