

## **Bulletin Board Design**

We are looking for a creative person to design a library board and briefly attend (15 minutes to take photos) a few of our BOB meetings for this purpose. Our meetings are held each Wednesday right after school. This opportunity requires someone who would be willing to both, take and print, any pictures to be used in the creation of this library board.

## **Photographer**

Additionally, BOB is looking for a volunteer to take one photo of each of our 22 students holding their favorite book and capture a voice memo of why it's their favorite of all BOB Books this year. Once completed (in December) those files can be emailed to our Coach.

**Note:** There is no need to print these photos. We simply need someone willing to take the photos and capture the sound bite via speech-to-text notes with each child's name.

If you are interested in either opportunity, please contact Mrs. Supple at
