## ACCOUNT SET UP

- SJSC Rebate Coordinator creates account with an email address supplied by families (contact your coordinator).
- Families then receive an email from *Great Lakes* to set up their account and password. This is time sensitive so if you encounter problems, just click on "forgot password" and one will be emailed to you right away. You can change it later through "family functions".
- Families need to establish PRESTOPAY, a safe and reliable EFT system to pay for purchases (see below). The check payment option is not authorized by SJSC.
- Go to **Dashboard**, then **Family Functions**, then **Payment Types**. There are 2 ways to link your account to your bank account: **Instant Link** or **Manual**.
