

Student Pictures from Simonson Photography

A Message from Simonson Photography

You should have received a letter from Simonson Photography this past week. The individualized letters were sent home with your child/children. The letters include a unique link to view your child's photographs in a private online gallery. You will need to click on the link, then copy and paste your child's code to view the images. To view, go to simonsonphotography.com and click on St. Junipero Catholic School, enter your email address and your child's unique code.

Live Classroom Streaming Students: Your letter will be arriving via mail to your home.
