

## Lost and Found Items

With the cooler mornings, we have had a huge increase in sweatshirts and outerwear showing up all over campus and ultimately ending up in the Lost and Found. Our staff do their best to go through these items and return them to their rightful owners BUT that can only happen if there is a name on them somewhere. This holds true for lunchboxes as well.

Parents, please make sure you either get your child's name embroidered somewhere on their items, or at least mark them in some way. Some options for this include:

- Sharpie Rub-a-Dub Permanent Laundry Marker
- Silver Sharpie
- Avery No Iron Clothing Labels, Washer & Dryer Safe

All of these methods just take a minute to do and could save you money instead of having to buy a new sweatshirt or lunchbox! Please note that the carts with lost and found items are located near Extended Care. Direct your child to check there if they have lost an item and you, as a parent, can enter through the Chapel Gate at the end of the day to go through the carts as well. Due to COVID-19, we do not allow parents onto campus during the day to go to the Lost and Found. Items can only remain on the cart for a short time before they are disposed of as we do not want a bug infestation to occur with any damp clothing or rotting food. Thank you for your cooperation and understanding.
