FROM THE TEACHERS:

The first-grade teachers would like to thank all the parents for their eagerness in wanting to help and provide for special projects. Unfortunately, due to the need in keeping within the safety protocols of COVID, we are still not allowed to do many of the projects we have traditionally done in the past. We are currently still on hold until further notice. However, we will inform everyone if there are alternative products/activities that we are able to utilize or incorporate as we continue through the school year.

1st GRADE NEWS AND REMINDERS:

- Please remember to bring the kids iPad to school every day fully charged as they are used frequently each day.
- Also, please write your child's name on the sweatshirts and jackets.

Grace and Blessings,
Christina Bays - 1st Grade RPC
