

Moana Jr. Auditions!

Make way! Make way! Moana Jr. Auditions are coming to St. Serra!! Students in Grades 1-8 are invited to audition and participate in the Spring Musical. All students are required to audition, and all students will receive a part in the musical. Each year we transform the SAC to our very own theatre and our St. Serra Bears share their singing, dancing, and acting talents! Please see below for important dates including Mandatory dates for cast and crew! Please also see the [Google Drive folder](#) for important information and additional Spring Musical resources, including applications for cast and crew.

Rehearsal Schedule:

Musical rehearsals will take place on Tuesdays, Wednesdays and Thursdays. Not all groups will be required at each rehearsal. A detailed schedule can be found in the Google Drive folder. Students may only miss 2 rehearsals, not including mandatory rehearsals or performances.

Audition Information:

Students in Grades 1-8 are required to sing one song from *Moana* - you pick the song! They should have thirty seconds memorized and ready to sing. Students can sing with music or A Cappella (without music). Students are also expected to have lines prepared from one of the Sides (scripts) found in the Google Drive folder. The better prepared students have a better chance at landing a lead role. Confidence is key! **Audition application will be due to Mrs. Sifers by January 20, 2023.**
