6th Grade Weekly Information

FROM THE TEACHERS:

- ❖ Mrs. Bassett's class will be starting their Egypt unit in Social Studies. The students will complete a STEM project in constructing pyramids out of toothpicks and marshmallows. Mrs. Bassett is looking for donations of mini marshmallows, toothpicks, and sandwich sized zip lock bags for this project. Please turn in your donations to Mrs. Bassett by the week of November 9th. Thank you!
- ❖ We are still collecting Crayola Model Magic clay colors of green, blue, orange, red, white & brown for ALL science classes. We will be doing a hands-on activity where we create a model of the layers of the earth using clay.

6th GRADE NEWS & REMINDERS:
