

Food for Friends Food Drive

Our next "Food for Friends" monthly food drive will be this coming **Friday, February 4**. We apologize for having so much going on with it being Catholic Schools Week, but we sent out our Food Bank Dates to the various organizations at the beginning of the year, and do not want to disappoint them when they are counting on our donations!

Our local Food Banks tell us that although donations have decreased, the need for food has not! They need our help! What seems like a small amount can truly help a family in need, and any contribution is greatly appreciated! Not sure what to donate? [Click here](#) for a flyer listing the most needed items at this time.

Please use a grocery bag from home and have your child(ren) drop the food bag in the bins located around the morning drop-off traffic pattern when they exit your vehicle or, they may bring the food to their homeroom any day this week if that is easier.

The South County Outreach Food Bank is the only place we have ever received a poundage for the amount of food our families have donated. In November, we donated 613 lbs of food to their organization! Let's challenge ourselves to do even better this time by topping that number! We will let you know in an upcoming St. Serra Sunday News what our total poundage was for this food drive! We are always humbled by the generosity of our families, thank you!

FOOD DRIVE

**Hosted by
St. Junipero Serra
Catholic School**
