

## Great Job Battle of the Books Club!

A job well done for our Battle of the Books (BOB) Club Candy Bears Team making into the Top 8 Elite Teams in the afternoon rounds competing in sudden death against Mission Basilica's Swallows on Fire Team.

Candy Bears Team Captain Breanna B. and Co-Captain Alise E. led their teammates Josef O, Melissa S. Matthew W., Carina T., and Alex Y. through Jeopardy style questions covering the [2020-2021 BOB Book List](#) assigned from September 2020 through April 2021 competing against other schools.

"This was an amazing experience for Alise and she was so grateful for the opportunity to participate," said Alise's mother. "She said the tournament was one of her best days of school and she is already looking forward to next year!"

Our team may not have won but they've surpassed their AR reading points, read 5,241 pages, and last but not least, they had a lot of fun reading and being part of our book club team!
