

Calendar Clarification for Friday, October 15, Parent-Teacher Conferences

School is not in session on Friday, October 15, and ONLY students in grades 3-8 that have their Parent-Teacher Conference scheduled on this day, need to come to campus with their parent(s) *at their scheduled conference time*. There is no Extended Care offered on this day.

As over the past several years, we do not show it as a non-school day on the 'Year-at-a-Glance' Calendar because it is considered a student-contact day due to those students who will be attending conferences on this day.
