

STAR Testing, January 9-20, 2023

The second diocesan STAR testing window for the 2022-2023 school year will take place January 9 through January 20, 2023. Please note that this testing period will begin on the first day we return from Christmas break.

Students will take the STAR math test during the week of January 9 and the STAR reading/early literacy test during the week of January 16 (starting on Tuesday, January 17, as there is no school on Monday, January 16, in observance of Martin Luther King, Jr. Day).

The email notification system in Renaissance Home Connect is the delivery method for STAR test results. Results will **not** be sent home from the school.

If you want to see your child's STAR test results, you must sign up for email notifications on their Home Connect pages. And you must do it **before** your child takes the tests. Therefore, if you want to view your child's results on the upcoming STAR Math and STAR Reading tests, **you must register on Renaissance Home Connect before January 9, 2023.**

If you have already signed up for email notifications on Renaissance Home Connect, you should not have to do it again - but it does not hurt to follow the steps below to be sure. To sign up or to check to see if you are already signed up, here are the steps you need to follow:

1. Login to the Renaissance Home Connect Website:
<https://global-zone53.renaissance-go.com/studentprogress/homeconnect?t=274505>
2. Use your **child's** username and password to login and view results. (Each child has an individual username and password to login and view results. You do not have a family username and password. If your child does not remember his or her username or password, contact Ellen Burrola at eburrola@serraschool.org or your child's teacher.)
3. Click on the orange icon labeled "Get email updates" in the upper right-hand corner; enter your email address.
4. Check your email inbox for an email from Renaissance asking you to confirm your email address. When you get the email, confirm your email address.
5. If you have multiple students at St. Serra, repeat the process for each child.

Please note that the email notifications are sent just once. Therefore, if you want to be able to refer back to the results at a later date, you must save an electronic copy of the email or print out a hard copy for your files. The scores are not posted on the student's Home Connect page or saved somewhere that you can access later. (This is a Renaissance decision, not a St. Serra decision.)
