

2021-2022 Educational Costs

Thank you for your continued support of our wonderful St. Junipero Serra Catholic School. We are so grateful for our SJSC parents who share our love of catholic education. We recognize that this is a financial sacrifice and commitment for each of our families. We are honored and blessed to partner with you on our mission of building disciples for Christ.

Please note the following Educational Costs for the 2021-22 school year:

Preschool (2 days)	\$4,094
Preschool (3 days)	\$5,423
Preschool (5 days)	\$8,137
Transitional Kindergarten – 5 th grade	\$12,829
6 th – 8 th grade	\$13,342

After much prayer and discernment and considering a salary increase for our teachers, COVID-19 safety protocol costs and a significant increase to our State Unemployment insurance, we are pleased to announce this is only a 3% increase from last year.

As a reminder, “Educational Costs” includes tuition, registration fees, 1 to 1 technology devices, instructional supplies and textbooks, spirit shirts, disaster and safety, health screening, field trips, STEAM, classroom activities and other misc. academic items. Additional fees are required for extracurricular programs including, but not limited to the following: extended care, after school athletics, student council, decathlon, choir/musicals and overnight field trips.

Eighth grade students will incur a graduation fee for the class sweatshirt and special graduation activities.
