# Disciple Maker Index SURVEY

### Got 10 minutes?

As we look forward to continuing improvement in our COVID restrictions, please take some time to help us plan ahead and identify opportunities for spiritual growth by taking the Disciple Maker Index Survey.

The survey should take 10 minutes to complete  
and can be found at this link:

<https://portal.catholicleaders.org/dmi/survey/k1335k133b>

*(if you are viewing the bulletin electronically, please go to our website homepage to access the link)*

The link will take you to a confidential survey designed to help us address the needs of our parish. The questions are personal and will give you a chance to really think about your faith and how you live your call as a disciple of Christ.

Paper surveys can be made available upon request.

The survey will close on March 22, 2021 and an analysis will be presented after Easter.
