

San Francisco Solano Altar Server Ministry

Altar Servers play an important role in our parish's liturgical celebrations. We are looking to train additional servers. Many altar servers continue serving through middle school until they go off to college.

New Altar Server Training Session:

Sunday, September 23rd

1:30 – 3:00 PM

In the church

1 parent should attend for a short training on scheduling procedures.

- Altar servers must be at least 10 years old **OR** in 5th grade or higher.
- You may choose your preference of masses
- All Servers are required to serve 1 Saturday 5PM & 1 Sunday 7AM mass each year (June – May).
 - These are typically early on in your serving to give you practice and gain confidence at smaller attended masses. You may request specific weeks also.
 - If you absolutely cannot do one of these times, you may do 4 of the other time instead.
- Most will serve once a month unless you prefer the smaller masses, than it can be more often if you choose.
- “Can’t Serve” dates are due by the 21st each month.
- Each mass served = 1.25 hours of service. You must check-in 15 minutes before mass begins.
