### 4<sup>th</sup> Grade Weekly Information

#### FROM THE TEACHERS:

**Mission Project:** Your student will receive their Mission assignment this week. Along with the name of the mission they will work on will be a list of potential projects they can choose from to complete in class. Please look this over, discuss it with your child and help them decide which project they will enjoy most. We will ask each student before Christmas Break to tell us which project they would like to do, so we can have a list of different projects for the class. The project and written report will be completed in class during the month of January. We will ask you to send in any supplies needed to complete the project your child chooses to do in class.

**Advent Sock Service Project:** Fourth Grade is collecting socks for families in shelters this year. If you are able, please send in a new package of socks either men's or women's sizes to your homeroom before Wednesday December 16th. We will deliver them to the shelters prior to Christmas. Socks are one of the most needed items in shelters for families and are sometimes overlooked when people make donations. We thank you for our help with this class wide service program.

#### 4<sup>th</sup> GRADE NEWS & REMINDERS:
