

Sunday, November 8, 2020 7th Grade Weekly Information

FROM THE TEACHERS:

Student Laptops: We are having increasing issues with students coming to school with laptops that are not charged. Students are missing instruction and class work when they are not prepared. Classrooms are not equipped to handle charging so many devices, and with Covid restrictions, it is difficult to have students moving around the room to be near outlets. Please help your child remember to fully charge their laptop each night.

FACTS: Please continue to check FACTS for student's missing assignments and grades.

7th GRADE NEWS & REMINDERS:
