

## Sunday, January 10, 2021 5<sup>th</sup> Grade Weekly Information

### FROM THE TEACHERS:

#### **Updates:**

- Students have selected one of the fifty United States in social studies this week for our upcoming cross curricular unit, TASTE OF AMERICA. Students will be researching and completing specific activities/projects during the months of February and March regarding their chosen state. Each social studies class will only have 1 student assigned to a specific state. More information on the activities will be provided in February.  
\* California will NOT be allowed to be chosen.
- All students are encouraged to review/replenish their pencil pouches to make sure they have the following supplies; whiteboard marker, blue & red pens, pencils, eraser, scissors, colored pencils, colored markers and glue sticks. Although teachers encourage students to share supplies, our COVID protocols do not allow for this.
- Mrs. Renna's math classes may keep their volume 1 and volume 2 Pearson Envision 2.0 textbooks at home. Students will be using the online resources provided by the textbook.
- All students will need to supply a shoe box for an upcoming diorama project in science class by January 25th.

**From the 5<sup>th</sup> Grade Teachers to the Parents:** Thank you all for the delicious treats, beautiful cards and generous gifts that we received for Christmas. We all felt so blessed to be part of this amazing community, and we truly appreciate your thoughtfulness.

### 5<sup>th</sup> GRADE NEWS & REMINDERS:

**Thankful Giving Free Dress Passes:** If your family donated during the Thankful Giving drive, remember that all students in your family receive free dress every Wednesday in January.

Grace and Blessings,

Liz Farris – 5<sup>th</sup> Grade RPC
