

Fernway Fund Update: Holly Coughlin, Executive Director, Shaker Schools Foundation

- All Fernway Fund donations will be used to support learning experiences that were lost or compromised as a result of the fire. So far, the Foundation has collected \$27,000.
- Paid \$6,500 to the District to disburse \$300 to each Fernway teacher, single subject teacher and support staff to help them purchase items they need for the first day of school. Putting the buying power at the teacher levels ensures that fundraising efforts aren't duplicated.
- Shaker Schools Foundation will assess what support is needed as the year progresses.
- Donations also will be used to support supplemental needs for the temporary classrooms and enrichment activities for Fernway students in the upcoming year, including field trips, in-class presentations and all-school gatherings.
