Fernway Update
Board Meeting (Section 1.8)
July 17, 2018

Shaker Heights Schools

Building Stabilization Operations (1 of 1)

A Process that Includes:

- Secure the facility
- Remove water
- Remove debris
- Remove and account for contents
- Restore utilities
- Add temporary roof
- Fire and safety investigations
- Insurance reviews
- Preserve the condition (keep it dry, safe and secure)
- Assess the building condition and grounds
- Make decision on the structure

Shaker Heights Schools

Temporary School (page 1 of 2)

A Process that Includes:

Guiding principles: Keep Fernway students with Fernway teachers. Sustain the best possible learning environment. Support the Fernway Principal throughout the process

Location options:
- Building
- Modular classrooms
- Share space at district elementaries

Criteria for site selection:
- Proximity (time to/from Fernway neighborhood)
- Availability (immediate occupancy to 90 days)
- Condition (costs to repair or renovate)
- Costs (move, occupy, return)

Decision point on location:
- Our goal is to decide the location of the temporary school by **August 1** (about 10-working days)

Shaker Heights Schools
