

SATURDAY, OCTOBER 1ST CROP WALK AND MAZE AT BLOOMINGTON FARMER'S MARKET

Be a walker, and try the maze to support the interfaith relief and development organization Church World Service (CWS)! This year, our donations will support our upcoming refugee support office, Exodus. Starting next year, Exodus will help resettle refugees in Bloomington, and our support will help those families.

The annual CROP Hunger Walk will start at the Maze, in the Shower's Building atrium, at 10:00am, and will proceed up and down the B-Line Trail, with participants wearing CWS signs. The Maze, open 8:00am-1:00pm, will be an educational tour through the difficult journey of the refugee, with information posted throughout the closed Maze.

How you can assist this worthy cause:

- To be a walker/donation gatherer: contact Tony Mescher (mescher@indiana.edu) for a donation envelope.
- To help decorate and/or construct the Maze on Friday, September 30: contact CROP coordinator Lisa Miller Maidi (emillerm@comcast.net).
- Donate online at our St. Mark's team website crophungerwalk.org/bloomingtonin or contact Tony Mescher, Lisa Miller-Maidi, or CROP treasurer Rich Corwin (cyricorwin@gmail.com) to locate a walker who is collecting donations.

More ways to help: Stop at the Welcome Desk in Garton Hall at St. Mark's and pick up Publicity flyers to distribute and post around town. There you can also find a volunteer signup sheet where you can add your name.
