

BIOMEDICAL SCIENCES

Dublin High School Health Science and Medical Technology Academy

Interested in a career in the biomedical field?

**COME TO AN INFORMATIONAL ZOOM MEETING ON
TUESDAY, FEBRUARY 2ND AT 6:00 PM**

The Biomedical Sciences pathway provides exciting, hands-on educational training in the health sciences and medical technology fields. Along with concurrent enrollment in traditional science coursework, students will participate in classes such as:

- Principles of Biomedical Science
- Human Body Systems
- Medical Interventions Honors

Benefits of this program include:

- Hands-on, project-based learning
- Development of critical thinking and problem solving skills
- Career development and job exposure (guest speakers, mentors)
- Well-designed biomedical coursework centered on the Project Lead the Way (PLTW) curriculum

Register in advance for this meeting:
