

30th ANNIVERSARY CELEBRATION

What a day it was! It was a full house on September 15th as over 100 people joined us to celebrate NYWC's 30th Anniversary. We welcomed long-time supporters and new ones – and everything in between. We were thrilled to see members who were at the very first AGM in 1989 and, 30 years later, continue to actively support the Centre and its work.

Shree Paradkar, Toronto Star race and gender columnist and recent recipient of the Atkinson Fellowship in Public Policy, helped us put the last 30 years into context and Shout Sister Choir inspired us with music. Heartfelt reunions and photos brought back memories and touched emotions, and attendees got a sneak preview of our soon to be released 30th Anniversary video.

To top it all off, our 30th Anniversary fundraiser raised over \$7,500.

Thank you to everyone who has been a part of the NYWC family. We couldn't have done it without YOU!
