"Love in Seville" Luncheon

3025 N. Sunrock Lane, Tucson, 85745

743-7700 (H), 869-0080 (cell)

1. Go West on Grant Road, past freeway and past Silverbell. (Note: At Silverbell, Grant Road's name changes to Ironwood Hills)
2. From Silverbell, continue 2.5 miles west on Ironwood Hills, past very large dip to second street on right, after the dip. "Summit Drive". Subdivision sign at Summit will say "Ranchos de Oeste." Turn here on Summit Drive.
3. First road you now see is "Sunrock," but ignore.
4. This is a "gotcha" as this "Sunrock" is not cut through.
5. Instead, continue on Summit Drive which has mysteriously become Sunrock Lane. It meanders, but do not turn off this road. The last 1/4 of a mile is a dirt road. Continue on this dirt road down a dip, past geodesic domes on left, and follow power lines as the road makes a right angle turn to the left, or west. You are 30 seconds away!
6. Driveway is the first and only one on the right at the top of second little rise, with power poles on each side of road and house number(3025) at head of driveway.

DO NOT USE MAPQUEST INSTRUCTIONS AS THEY ARE WRONG AND YOU WILL BE LOST.
