Re: Support for HB692
From: Deborah Bond-Upson, HE'E Interim Director
Date: March 6, 2025

Hui for Excellence in Education, or "HE'E," is a statewide coalition of diverse stakeholders committed to working collaboratively to identify opportunities to improve public education. We work to provide Hawai'i families and organizations with a resource for educational policy.

We write in support of HB692 in order to expand the preschool open door programs eligibility criteria. This measure would allow families with children ages two up to kindergarten entry to apply for Preschool Open Doors (POD) subsidies. This expansion of state subsidies will greatly benefit Hawai'i's working families.

The return on investment of providing access to quality early learning for children is extremely high. As we look at the difficulty of raising student attendance and achievement in upper grades, we can know that quality early learning for children would result in more secure, confident, achieving students.

We strongly support this measure to help Hawai'i families to ensure that their children will be able to thrive in the present and future. Thank you for this opportunity to share our thoughts.
