Aloha KBR Members and Member Affiliates,

2022....Let's go! With 2021 closed, in this first newsletter of 2022 we highlight the past year's successes and celebrate YOU, our REALTORS.

First off...this is what we stand for and envision:

KBR's Mission: "To elevate professionalism in our members and to advocate real property rights for all".

KBR's Vision: "To be a trusted source in the real estate industry for our members, our community and those that we serve".

2021 Highlights

2021 Kauai Independent Food Bank (KIFB) - Virtual Food Box Drive raised a never before total of \$30,150.00, exceeding our set goal of \$30,000.00. Your willingness to continue to contribute financially to support KIFB and our Kaua`i community every year is sincerely appreciated and continues to make a big impact. *Photo credit: By Sharon Gibson taken at GMM on December 10, 2021, check presented to President, Donna King and Executive Director, Kelvin Moniz.*

Kukui Grove Center Back to School Bash, KBR along with other sponsors, community partners and volunteers, you all contributed to making a difference to thousands of our keiki here on Kaua`i. *Photo credit: Unknown*

Our Young Professional Network Committee (YPN) and volunteers organized a clothing drive collecting donations from our REALTOR community with 4 truckloads of clothing collected and donated to worthy organizations including Women in Need, the YWCA of Kauai, Nana's House of Child and Family Services in Waimea. *Photo credit by Dennis Fujimoto/The Garden Island*

2022 The Year Ahead

I look forward to 2022 and events planned to continue the spirit of **REALTORS in, of and for the community.** This year we look to be creative, explorative and the best use of technology to keep elevating our services and always bring back our best product to our membership.

In the weeks to come we will be highlighting our **committees** and how each function; we encourage you to get involved, as everyone has the ability to bring value. Our committees are vitally important in keeping our Board of Directors informed and to the continued success of our association. Also, be on the lookout and for our new and improved website, CE courses, New Membership Orientation and upcoming Community Events.

Stay safe, stay healthy and wish everyone a prosperous 2022.

Nani Sadora
Association Executive
