Zoom Support Volunteers Wanted

Are you comfortable using Zoom? Then you're just the person we need. As a Zoom Support Volunteer, you will provide basic support to an instructor, with the option of also being a class participant (for free!).

Volunteers will attend a short Zoom-based training session and receive a comprehensive Zoom Support Guide. The type of support needed will be determined by the individual faculty member's comfort level with Zoom. You may be asked to attend to raised hands, create the Zoom link (you will receive access to a UMaine Zoom account), share your screen, record a class, and other Zoom tool use. At the completion of a course, Zoom assistants will receive a certificate good for a free OLLI class.

Sign up by emailing **Mark Sundermann** or **Anne Cass**. Thank you!
