SIG Update

Hello March! OLLI is in the throes of embarking on its spring term of classes, workshops, and events for OLLI members to ponder, as well as, all of our available SIG group meetings. Let's take a look at some March happenings:

- March 8: Daylight Savings Time begins
- March 10: One Book, One Community
- March 16: Spring Term classes begin
- March 17: First SAGE presentation and also St. Patrick's Day
- March 20: First day of spring

Please note OLLI is expanding; Osher Online is offering 15 national online classes based on the Great Courses model. You register online just as you do for your classes at Wishcamper. Now… let's talk some more about SIGs…

Due to unavoidable circumstances, **OLLI Senior Players** and **Trivia Game Night** are on hiatus at the present time. All members will be notified when meetings are resumed. **OLLI Singers** begin their schedule of meetings on March 20. (Read more below.)

Our 16 other SIGs are going strong! Please check pages 44 and 45 of our Spring Session Course Catalog for additional information regarding all that is offered to you as a member. Once registered, members are notified of upcoming scheduled topics or events. You may then attend at your discretion.
