Flights

The biggest costs here is the flights to QATAR. Due to their relationship within the GCC there are only a few countries you could look to transit through – Kuwait and Oman. For a 2 ½ hour direct flight it seems the QATAR Airways direct is our only option.

Q Miles If you have Q miles (Qatar Airways Loyalty Program) We suggest using them to lower your flight prices.

AT this stage ALL FLIGHTS will be booked and paid individually directly with the Airline. www.qatarairways.com

Qatar Airways accepts any sporting equipment as checked baggage as part of the passenger's free checked baggage allowance mentioned on the ticket 30KG. Any sporting equipment which exceeds the free allowance will be subject to excess baggage rates. (for more information please visit <https://www.qatarairways.com/en-gb/baggage/excess.html>). Its therefore suggested that for the two day trip we travel as light as possible and use hand luggage also for some personal clothing items.

Visa

Holders of Azerbaijani passports do not require visa to enter Qatar for the period of 30 days for more information please visit <https://www.qatarairways.com/en-gb/qatar-transit-visa.html> and <https://www.qatarairways.com/en/qatar-tourist-visa.html>

Hotel

The hotel has offered us upgraded rooms as standard, however if you wish for suite options we can enquire on your behalf.

Golf Courses

<http://www.qigolfclub.com/> Not opening till January so an exclusive first look at what will be one of the best in the Middle East

<https://www.dohagolfclub.com/> Host to the Qatar Masters European Tour

Transfers

Should the group arrive on the flights suggested we will arrange airport pick for the group to the hotel. If you are arriving into Doha at different times a taxi will be more affordable than the mini bus hire for the group.

Daily transfers will take us as a group to the Golf Courses and back to the hotel. On the Sunday we will leave from the Golf Club to the airport directly.

Additional Costs

Food and Beverage will be additional, however this should be minimal. Breakfast is included in the hotel for Saturday and Sunday.

The weekend will be a very Premium Trip with a chance to see and play some of the best Middle East Courses.

What to do next:

- Confirm whether you wish to attend the weekend with us and supply names or all guests (including non golfers that may accompany) We have around 6 – 8 players interested so far – we will push in our newsletter this week also.
- Book your flight – so you secure the cheapest option (I will be in Doha 100% so the trip will go ahead irrespective of final numbers)
- DLGC will then reserve your room at this stage (deposit closer to arrival) and register your name for the Golf
- Check if your passport requires a Visa for Doha – Most nationalities can get a visa on arrival for a cost of QAR 100 / 28\$USD

We look forward to hearing back and creating a great trip for all.
