

Golf Marathon
Tuesday 19th June 2018
Dye Championship Course

Tournament Rules

I. Tee position

Men to play from the **WHITE TEE's**

II. Handicap Allowance

Full Handicap Allowance

III. Format – Individual Strokeplay using the Stableford Points scoring system

- Please exchange scorecard with playing partner. You **MUST NOT** mark your own score
- There are **NO GIMMIES** and all putts must be made to be counted
- If a player feels like they will not score on the hole they should pick up the ball to help with pace of play.
- **PLEASE NOTE** There is a maximum of 9 shot rule in place. Please pick up after taking 9 shots
- Please ensure you sign your completed scorecard at the end of play. You are responsible for the correct **GROSS** score recorded at each hole. Upon returning to the clubhouse you **MUST** sign for your score as the player and also as the marker for your playing partner.
- Your strokes are allocated against the stroke index on the score card. If your handicap is over 18 you will get double strokes on some holes. I.e. if you are off 21 you will get double strokes on hole with a stroke index of 3 or less.

Points are awarded for the following net scores:

Bogey +1	= 1 point	Par	= 2 points		
Birdie -1	= 3 points	Eagles-2	= 4 points	Albatros-3	= 5 points

IV. Pace of play

Each player is responsible for the pace of play. The recommended 18 hole timing for Golf Marathon is **3 hours**. Players/group will be asked to move forward by the Marshal if they fall behind the group in front.

V. Out of bounds markers

In addition to the rules on the scorecard please note the boundary of the golf course is marked by Orange fencing. A ball is deemed out of bounds if it crosses these boundaries.

VI. Prize

Winner – The player with the most Stableford points for the day

Certificates will be presented to players who successfully complete the Golf Marathon.

Longest Drive Prizes – Hole 1 and Hole 72!!

Six survival tips if you're taking part!

- 1) Socks!** There's nothing better than a fresh pair of socks in between rounds. A single round of golf can clock up to 13,234 steps – serious blister territory –make sure you have the comfiest shoes on possible and lots of socks packed. At the lunch time break consider a shower / full change of clothes for the final 36 holes.
- 2) Balls!** 72 holes even for a professional is 288 shots, make sure you've got enough golf balls to get you through the day, you don't want to run out of ammo!

- 3) **Eat, Drink, Repeat.** You need to keep yourself fed and watered if you're going to go the distance. Always make sure you have mixed nuts and granola bars on the course and a healthy high protein breakfast is an absolute must. Avoid Alcohol until the final round so you give yourself a chance.
- 4) **Beware of the golfer's tan.** Get that sun cream on. Playing all day on the longest day of the year you're going to need it.
- 5) **Loosen up.** Warm-up before you get going but don't waste too many good shots on the practice range! You'll want to warm down/warm up between rounds too to avoid stiffening up.
- 6) **Take it easy and enjoy yourself.** If you hit a bad one off the first tee, don't sweat it you've got 72 holes to play with so just enjoy yourselves and have a great day for the Charity!
