

PARK MAITLAND

MATH

OLYMPIAD TEAM

TRYOUTS!

When: September 12th-16th

Where: Math Lab/Enrichment Class

For: 3rd-6th grade students

Results: Students that meet the qualifying score will be contacted via email

Want to prepare?

Visit [Mrs. Sullivan's website](#) for practice material

Description: This club is dedicated to pushing students that are passionate about Mathematics through problem solving, enrichment and competitions. During the club meetings students will be provided the foundations needed to practice and prepare for competitions. There is a nominal fee for each competition.

Practice:

Twice a month on Tuesdays 3:20-4:20
