OUT OF THE APPLE ORCHARD

A triple award-winning team: Author Yvonne David,
Playwright Ellen W. Kaplan, and Director Kenny Howard, a Tony Award-Winning Producer

Inspired by *A Christmas Carol* by Charles Dickens, *Out of the Apple Orchard* explores similar
themes of hunger, forgiveness, healing and new beginnings.

In the fall of 1910, a Jewish family, who recently immigrated from the Old Country, moves from the
Lower East Side of New York City to the hamlet of Mountaindale in the Catskills for the fresh country
air. Papa is too sick to work and food is scarce. On his way to school, twelve-year-old Adam
Bleiman is hungry and sees the apples in the Friedland orchard. He cannot resist the ripe
red fruit. Soon his troubles begin... Ages 8 and Up
