

Liturgy Week

An online training for Liturgy Coordinators

This course will cover what every liturgy coordinator needs to know:

- What is Liturgy? How can we best provide correct implementation of requirements at Mass?
- What are the key documents about the Liturgy?
- How do we prepare for the liturgical year?
- How do we train liturgical ministers?

There will be time for questions and sharing of best practices.

Beginners and veterans alike are welcome to attend.

What better time than this Archdiocesan Year of the Eucharist to spend a few hours exploring how we can make our parish liturgies the best they can be?

There is no charge; **REGISTRATION IS REQUIRED.**
