MILK WITH CARAMEL AND SEA SALT
CD19959

From our small studio in Diepenbeek, Belgium, we create magical marshmallows and lovely lattes that spark joy.

What began with Gunther & Maarten has grown into a colourful world of feel-good treats: fluffy chocolate-covered marshmallows, dreamy hot chocolates, spiced chai, creamy matcha, and cosy pumpkin spice lattes.

At BARÚ, only what feels 100% magical makes the cut. We work with local, inclusive partners, keep supply chains short, and pack with care – for you and the planet.

Escape the ordinary. Enjoy a moment of wonder.

CHOCOLATE MARSHMALLOW BARS

Imagine a fluffy marshmallow bar coated in rich Belgian chocolate, a deliciously sweet and nutty filling, all wrapped in a colourful wrap and you may just have the most sought-after bar in town.

GUYLIAN

DISCOVER OUR IRRESISTIBLE SEASHELLS

Guylian was founded in 1958 in celebration of love and chocolate. The brand is well-known all over the world for their iconic Guylian chocolate Seashells and exquisite in-house roasted hazelnut praliné filling. Guylian chocolates are made in Belgium and sold in over 120 countries across the world. Besides creating delicious chocolates, they actively support the Fairtrade program.

BELGIAN CHOCOLATE SEASHELLS

THE ORIGINAL AND NEW DARK SEASHELLS

The creation of Guylian's Seashell chocolate began when Guy Foubert and his fiancée Liliane returned home after a relaxing holiday on the Belgian coast and came up with the idea of making a souvenir in chocolate. When Guy married Liliane in 1958, they immortalised their love and passion for chocolate by merging their first names into Guylian and a new chocolate brand was born.

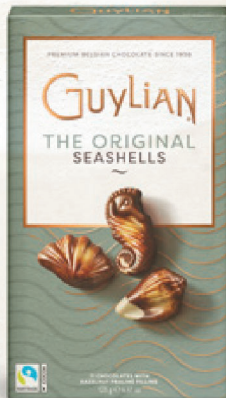

THE ORIGINAL SEASHELLS

Our Original recipe relies on carefully selected hazelnuts, which are roasted in our artisanal copper kettles, transformed into praline and then covered in fine Belgian chocolate. **An irresistible treat, available in different pack sizes: 250g, 125g; 65g, 33g.**

WE LOOOVE CHOCOLATE

But chocolate only really tastes great if you know that your choco cravings contribute less to the warming up of our planet. Did you know that milk chocolate emits as much CO₂ as pork? Hands off wants to create chocolate that doesn't melt the earth and make plant-based chocolate the norm.

That is why we make the most delicious plant-based chocolate and together with cocoa farmers we fight deforestation.

Hands off my chocolate.

NAPOLEON

SINCE 1912

Napoleon sugar candy was founded in 1912 by baker Louis Janssens on the Hoogstraat in Antwerp, Belgium. Even more than a 100 years later the candy is still known for its original, traditional recipe with natural ingredients and - flavors. A delicious long taste sensation, filled with a sweet or sour powder. Meanwhile the Napoleon range has expanded in various fruit flavors. The candies are individually wrapped in wax paper wrappers, and therefore are easy to share and to carry with you.
