When it comes to a **Christmas Show**, nothing tops The Dancing Horses! Home to incredible Vegas-style shows The Dancing Horses Theatre is entertaining for all! Our show was created from the vision of our owner and creator, Dana Montana. She believed in sharing her Arabian Horses' beauty and talent, which became a reality over years ago. There is no other way to get into the holiday spirit than to grab your friends and family and come watch! [www.thedancinghorses.com](http://www.thedancinghorses.com)
