One critic called it "a tightly packed clown car speeding to musical theater nirvana!" Spamalot first galloped onto Broadway in 2005, and features a book & lyrics by Eric Idle and music by Eric Idle and John Du Prez. The original Broadway production was nominated for fourteen Tony Awards and won three, including Best Musical.

The musical comedy, lovingly ripped off from the film classic Monty Python and the Holy Grail, has everything that makes a great knight (sic) at the theatre, from flying cows to killer rabbits, British royalty to French taunters, dancing girls, rubbery shrubbery, and of course The Lady of the Lake. Spamalot features well-known song titles such as "Always Look on the Bright Side of Life," "The Song That Goes Like This," and "Find Your Grail" that have become beloved classics in the musical theatre canon.
