

## **Jaguar Awards – May 6, 2022**

Students, faculty, staff, and families gathered at the San Antonio Zoo in the Beastro Restaurant to celebrate Texas A&M University – San Antonio’s outstanding student leaders this past Friday, May 6 at the Jaguar Awards Ceremony.

The Jaguar Awards recognizes leadership and involvement in the A&M-SA community. This year’s awards were hosted by the Office of Student Involvement but included awards from Family Engagement, Transfer Student Engagement,

Recreational Sports, Office of First-Year Experience, and the Mays Center for Experiential Learning & Community Engagement.

For 2021-2022, 44 recognized student organizations hosted over 1,500 events. From tabling on campus, to guest speakers, community service projects, fundraisers, cultural events, bible studies, educational and political forums and workshops, food, clothing, toy, and book drives, and your general meetings – both in-person and virtual! We also saw a variety of co-hosted events with each other and departments! Some of the collaborations we have had this year were with offices such as Military Affairs, The Student Counseling Center, Student Involvement, Recreational Sports, The Mays Center, the University Library, and many more!

The Award Ceremony recognized the following:

**Student Organization Champion Award**
