Research Compliance Office Hours

The Office of Research Compliance is excited to offer OFFICE HOURS for research compliance consultations with individuals and groups involved in research, teaching, testing, or production requiring oversight by the Institutional Animal Care and Use Committee (IACUC), Institutional Biosafety Committee (IBC), Institutional Review Board (IRB), Financial Conflict of Interest in research, Export Controls, and/ or Intellectual Property.

Office hours will be by appointment every Friday beginning July 29, 2022, from 12-2 pm and will be filled on a first-come, first serve basis. The initial contact meeting will be 30 minutes long. Please bring your specific questions and concerns or discuss your projects with us. We are here to help you with your research!

Who can attend: Faculty, Staff, and Students

When: Fridays 12-2 pm
