Update

- **We have reached a tentative agreement on Negotiations.**

Details on the agreement will be shared at the general meeting and on the website. Once the contract is finalized members will need to vote on the contract to ratify it.

- **Pension Ordinance change Vote round 2.**

Pension Ordinance change will need to be voted on by AFSCME an Pensioners. This means City employees covered under the Pension plan will be voting two times before the Comission's second read.

- **PERC Certification.**

AFSCME is pleased to announce that after much diligence and hard work we are certified for another year as a Union by the State of Florida. YAY!

We are still asking our membership to sign up online for dues deduction. This is the most effective way, going forward, to stand up and have your voice heard. Sign up using the link below:

- **New Staff.**

Please stop by the Union office Monday - Friday 10am - 2pm to meet our new staff, get help with signing up or just to pop in and get a snack.
