APPENDIX D: HOLLYWOOD ORDINANCE: PENSIONS AND RETIREMENT

APPENDIX E: DEFINITION OF COMPETENCIES

APPENDIX F: SICK LEAVE POOL POLICY

APPENDIX G: LETTERS OF UNDERSTANDING AND OTHER WRITINGS

ARTICLE 1 - RECOGNITION

Sec. 1: The City of Hollywood (hereafter "City" or "Employer") recognizes AFSCME Local 2432, AFL-CIO (hereafter "Union") as the sole and exclusive bargaining agent, with respect to wages, hours, pensions, and other conditions of employment, for all Employees in the Bargaining Unit, as per Certification #151 granted by the Florida Public Employees Relations Commission ("PERC"), as clarified by UC-2000-19 and 2018-001, attached as Appendix "A", and as may be amended in the future by the appropriate authority of the State of Florida.

Sec. 2: The City shall be represented by the City Manager, or a person or persons designated in writing to the Union by the City Manager. The City Manager shall have the authority to execute an Agreement on behalf of the City upon being directed by an official resolution of the City Commission. It is understood that the City representative or representatives are the official representatives of the City for the purpose of negotiating with the Union and administration of the Agreement between the parties. Negotiations entered into with persons other than those as defined herein, regardless of their position or association with the City, shall be deemed unauthorized and shall have no weight of authority in committing or in any way obligating the City.

Sec. 3: The City recognizes and shall deal with the appropriate Union Business Agent, International Representatives and any other Union members and/or attorneys, designated by the Union President, in those matters relating to collective bargaining and administration of the Agreement between the parties. Changes of representatives shall be submitted to the City Manager, in writing, by the Union President.

ARTICLE 2 – ADDITIONAL CLASSIFICATIONS

Sec.1: The parties agree that if additional classifications are created, they shall meet as soon as practicable thereafter to negotiate concerning whether or not these new classifications shall be included in the Bargaining Unit. The City and the Union agree to request a Unit Clarification from PERC as soon as practicable thereafter for agreed upon classifications.

Sec. 2: If a position's duties change substantially, which in the opinion of the City convert the position from a Bargaining Unit position to a position which should be excluded from the Bargaining Unit, the City and the Union agree that the City shall notify the Union of such potential changes and the basis for its opinion. The City and the Union agree to request a Unit Clarification from PERC as soon as practicable thereafter for classifications which the parties agree should be included or excluded from the Bargaining Unit.

ARTICLE 3 – DISTRIBUTION OF AGREEMENT

Sec. 1: The City shall furnish each new employee with an electronic copy of this Agreement. Each new employee will be provided with a copy of the Authorization for Dues Payroll Deduction form found in Appendix C.

ARTICLE 4 – NON-DISCRIMINATION

Sec. 1: No employee covered by this Agreement will be discriminated against by the City or the Union with respect to the job benefits or other terms or conditions of employment because of the employee's membership or non-membership in the Union.

Sec. 2: Both the City and the Union oppose discrimination on the basis of age, race, creed, color, national origin, gender, disability, marital status, sexual orientation and/or religion. However, the parties also recognize that the City has established an internal procedure to investigate and resolve alleged cases of discrimination which is in addition to existing and adequate procedures established by Broward County, the State of Florida and the Federal government. Accordingly, it is agreed that allegations of employment discrimination cannot be processed through the contractual grievance/arbitration procedure.

ARTICLE 5 - MANAGEMENT SECURITY

Sec. 1: The Employer and the Union recognize the mutually beneficial effects of a harmonious and cooperative relationship between said parties, and agree to comply diligently and fully with the requirements of the Florida Public Employees Relations Act.

Sec. 2: There will be no strikes, work stoppages, picketing, slowdowns, or other concerted failure or refusal to perform assigned work by the Employees of the Union and there will be no lockouts by the City for the duration of the Agreement. The Union guarantees to support the City fully in maintaining operations in every way.

Sec. 3: Any Employee who participates in or promotes a strike, work stoppage, picket line, slowdown, or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the City.

Sec. 4: It is recognized by the parties that the City is responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of the Article would give a rise to irreparable damage to the City and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the City shall be entitled to seek and obtain immediate injunctive relief, provided, however, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this Article if the Union did not instigate or support in any manner such action and, further, that the Union has used every reasonable means to prevent or terminate such action.

Sec. 5: Picketing, as referred to in this Article, shall mean any action by way of demonstrating which may have the effect of preventing or discouraging any Employee from coming to work, or have the effect of preventing or discouraging any supplier or contractor from entering any City premise. No employee shall picket concerning a matter that is subject to the grievance or arbitration procedure.

ARTICLE 6 - MANAGEMENT RIGHTS

Sec. 1: Except as provided in this Agreement, it is the right of the Employer to determine unilaterally the purpose of each of its constituent agencies; set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the right of the Employer to direct its Employees, take disciplinary action for proper cause, and relieve its Employees from duty because of lack of work or for other legitimate reasons. However, the exercise of such rights shall not preclude Employees or their representatives from raising grievances, should decisions on the above matters have the practical consequence of violating the terms and conditions of this Agreement or any civil service regulation.

ARTICLE 7 - PAYROLL DEDUCTION OF DUES

Sec. 1: On receipt of a lawfully executed written authorization from an employee, the City will deduct from the employee's pay the amount so specified by said employee, but not less than regular dues.

Sec. 2: The Payroll Division will remit to the Union Treasurer such sums, bi-weekly, together with a list of employees for whom deductions were made.

Sec. 3: Changes in the Union's membership dues rate shall be certified to the City, in writing, over the signatures of the authorized officer or officers of the Union, at least thirty (30) days in advance of the effective date of such change.

Sec. 4: The City's remittance shall be deemed correct if the Union does not give a written notice to the City within two (2) calendar weeks after remittance is received of its belief, with reasons stated therefore, that the remittance is incorrect.

Sec. 5: An employee may revoke, in writing, with thirty (30) days prior notice to the City and the Union, their authorization for dues or other deductions.

Sec. 6: The Union will indemnify, defend and hold the City harmless against any claims made and against any suit instituted against the City on account of any check-off of Union dues.

Sec. 7: When an employee has been suspended or discharged and subsequently returned to work, with full or partial back pay, or has been reclassified retroactively, the City shall, in the manner outlined in Section 1 above, deduct the Union membership dues that are due and owing for the period for which the employee receives back pay.

Sec. 8: Upon request, the City shall provide the Union a list of all employees in the Bargaining Unit represented by the Union. This spreadsheet data file list shall contain the employee's name, telephone number, complete address, department where employed, employment status and designation, and whether the employee is a member or non-member.

ARTICLE 8 - UNION BUSINESS

Sec. 1: The Local Union President and/or a representative of the Local Union President shall be allowed time off work with pay, up to 416 hours per fiscal year, to attend during working hours City Commission meetings, Pension Board meetings, meetings with City Administrators and/or Elected Officials that relate to joint City and Union business, and pre-negotiations meetings (during such times that negotiations for a successor Agreement are on-going) (hereinafter collectively referred to as "Union Business"). Hours not used during the fiscal year shall not roll over to the next fiscal year. The City will not pay employees for time spent conducting Union Business while off-duty. On all such occasions the Union President and/or representative shall give notice of any such meeting to their supervisor and the Office of Human Resources. Approval shall not be unreasonably withheld by any of their supervisors.

Sec. 2: The Employer agrees to allow two (2) Union members, designated in writing by the Local President, up to ten (10) days each off without pay each calendar year to attend Union Seminars, Conventions and other Union functions. These days off may not be permitted to accrue from year to year if not used. In order to insure proper coverage of assignments, the Department Head should be notified no later than twenty (20) days prior to the aforementioned events.

Sec. 3: Up to seven (7) persons designated as part of the Union bargaining team shall be permitted to attend negotiations without loss of pay provided that the negotiation sessions occur during the employee's regular working hours. Additionally, the Union recognizes that the City is engaged in furnishing essential public services vital to the citizens of Hollywood. Therefore, the Union will make a reasonable attempt not to have more than two (2) members from the same classification in the same work unit as members of the Union negotiating team. However, this does not apply to elected union officials that are members of the team.

ARTICLE 9 - UNION STEWARDS

Sec. 1: The City will recognize up to 10 stewards from the Bargaining Unit. Of the aforementioned 10 stewards, one shall be designated by the Union as the Chief Steward. In March of each year, the Union shall furnish the Director of Human Resources the names of the employees selected as Stewards and Chief Steward as well as the division/department for which they are responsible. In the event of a change in the designated Stewards/Chief Steward, the Director of Human Resources will be notified in writing immediately.

Sec. 2: A Steward or Chief Steward may investigate and discuss grievances and Agreement questions or complaints during working hours in their respective areas (or any area in the case of a Chief Steward); provided, however, they first receive permission of the Division Head or, in his/her absence, his/her designee. Provided, further, that such permission shall not be unreasonably denied. The Union shall not make an unreasonable number of requests.

Sec. 3: A Chief Steward or a Steward may process grievances in accordance with provisions of Article 29 - Grievance Procedure. However, only one representative of the Union (Chief Steward or Steward) shall be permitted to process a grievance during the Steward's working hours until such grievance reaches step 2/3. When a grievance reaches step 2/3, the Chief Steward and the Steward may participate in grievance processing during the Steward's working hours.

ARTICLE 10 – WAGES

Sec. 1: Effective the first full pay period on or after October 1, 2021, the pay ranges within the Bargaining Unit shall increase by two percent (2%). The new minimum and maximum pay range for each job classification within the Bargaining Unit is contained in Appendix B. The City shall have the right to hire employees within the pay range of the job classification.

Sec. 2: Effective the first full pay period on or after October 1, 2021, employees whose base pay (excluding longevity, and assignment pay, certification pay, and leadworker pay, hereinafter collectively “Enhancements”) is below the top of the pay range for their positions shall receive a two percent (2%) wage increase on their base pay the first full pay period on or after October 1, 2021, provided that the increase does not place their base pay above the pay range for their positions. If it does, the employees shall receive the percentage increase up to the percentage that places them at the top of the pay range and the remaining percentage in a lump sum. Employees whose base pay, as defined above, is at or above the top of the pay range on October 1st shall receive a lump sum payment that is equal to the total percentage increase for that fiscal year based on their base pay.

Sec. 3: Full-time employees hired prior to October 1, 2021, shall receive a one-time, lump sum, payment equal to 1% of their enhanced annual salary which was in effect on September 30, 2021.

Sec 4: Regularly scheduled non-seasonal part-time employees hired prior to October 1, 2021, shall receive a one-time, lump sum, payment of 1% of their annual salary calculated as follows:

For regularly scheduled non-seasonal part-time employees who averaged at least 30 hours or more in FY21, 1% of 1560 hours multiplied by the employee's enhanced hourly rate in effect on September 30, 2021;

For regularly scheduled non-seasonal part-time employees who averaged more than 15 hours of work per week but less than 30 hours, 1% of 1040 hours multiplied by the employee's enhanced hourly rate in effect on September 30, 2021.

Formatted: Indent: Left: 0.5"

For regularly scheduled non-seasonal part-time employees who averaged less than 15 hours of work per week, 1% of 520 hours multiplied by the employee's enhanced hourly rate in effect September 30, 2021. Sec. 5: Certification pay is calculated using the sum of an employee's base pay, wage increases (COLA), and longevity pay. Such sum shall be collectively referred to as the "adjusted base rate of pay."

ARTICLE 11 - ASSIGNMENT PAY

Sec. 1: An employee assigned to temporarily assume the majority of duties and responsibilities of an incumbent employee with a classification of a higher pay grade shall receive the employee's adjusted base rate of pay plus Enhancements, and a five (5%) percent increase in the adjusted base rate of pay, for the time actually assigned to the classification. However, should the temporary assignment continue for twenty-five (25) working days or more, the employee will continue to receive a five (5%) percent increase above the employee's adjusted base rate of pay, or the minimum salary range, for the position filled, whichever is higher. Temporary assignments that continue for more than one hundred and twenty (120) days will be evaluated by the City and the Union. The continuation of assignment will be by mutual consent.

Sec. 2: In the event an employee is assigned to work in a vacant position within a classification of a higher pay grade, the employee will receive the employee's adjusted base rate of pay plus Enhancements, and a five (5%) percent increase above the adjusted base rate of pay, or the minimum of the salary range of the position filled, whichever is higher. For the purpose of this provision, a vacant position is one in which there is no incumbent assigned.

Sec. 3: An employee assigned to temporarily assume the majority of duties and responsibilities of an incumbent employee with a classification of a higher pay grade that is outside of this Bargaining Unit shall be paid according to the following table:

General to Professional:	10% or minimum of the pay grade
General to Supervisory:	15% or minimum of the pay grade
General to Management/Executive:	20% or minimum of the pay grade

Sec. 4: A vacant position within a Civil Service classification that has been staffed by assignment for one hundred and twenty (120) days will be evaluated to determine if the position should be filled on a permanent basis. In no circumstance shall the employee temporarily filling the vacant position revert back to the assignment pay status, unless by mutual agreement between the City and the Union.

Sec. 5: The assignment pay in this Article shall apply only to time periods of more than one (1) full shift when the assigned employee is working for a full-time employee

in a higher classification. If, however, the assigned employee is working for a part-time employee of a higher classification then the assignment pay shall apply only to time periods of four (4) hours or more. There shall be no assignment pay during a declared emergency, except as authorized by the City Manager, or designee.

Sec. 6: All Community Service Officers who are assigned to perform Traffic Homicide duties (i.e. accidents involving fatalities or serious bodily injury) and who have successfully completed the required courses (currently Basic Homicide Investigation, Interview and Interrogations, and Courtroom Testimony), will continue to receive a 5% assignment pay increase above their adjusted base rate of pay, while assigned to the Traffic Homicide Investigation (THI) division.

ARTICLE 12 - LEADWORKER PAY

Sec. 1: Employees given assignments by the Department or Division Head as leadworkers in responsible charge of a crew or work unit, consisting of at least two (2) employees other than the designated leadworker, will receive additional compensation in the amount of five (5%) percent above their adjusted base rate of pay. The Human Resources Division will conduct a study to determine the feasibility of whether a leadworker position should be created. This study will be done in conjunction with the appointment and will be completed within ninety (90) days.

Sec. 2: Responsible charge shall be defined as having temporary supervisory powers and operating within the Chain of Command between the crew or work unit supervised and the immediate-supervisor of the Employee. Employees, whose duties and responsibilities normally include supervision, will not be covered by this section.

Sec. 3: There shall be an equal opportunity to be assigned to leadworker status.

Sec. 4: In no case shall leadworker appointment exist for more than ninety (90) days where a Civil Service Classification does not exist.

Sec. 5: The parties agree that a classification for leadworker will be established where appropriate. The City agrees to create the appropriate classification, job description and pay grade. The position will be announced as "closed promotional" and filled from an eligibility list.

ARTICLE 13 - CERTIFICATION PAY

Sec. 1: Upon attainment of a State of Florida, Department of Environmental Protection, Water or Wastewater Treatment Plant Operator Certification (Class C license), any Plant Operator I, Plant Operator I – Rotator, Plant Operator II, and Utility Shift Supervisor will continue to receive a five (5%) percent differential above the adjusted base rate of pay.

Sec. 2: Upon attainment of a State of Florida, Department of Environmental Protection, Water or Wastewater Treatment Plant Operator Certification (Class B license), any certified Plant Operator I, Plant Operator I – Rotator, Plant Operator II, or Utility Shift Supervisor will receive a two and one-half percent (2 1/2%) differential over the Class C license entitlement.

Sec. 3: Upon attainment of a State of Florida, Department of Environmental Protection, Water or Wastewater Treatment Plant Operator Certification (Class A license), any certified Plant Operator I, Plant Operator I – Rotator, Plant Operator II, or Utility Shift Supervisor will receive a two and one-half percent (2 1/2%) differential over the Class B license entitlement (for a total of five (5%) percent over the Class C license entitlement).

Sec. 4: Utility Operations Supervisors, Senior Utilities Field Technicians ("SUFT") and Utilities Field Technicians shall receive a two and one-half percent (2.5%) differential above the adjusted base rate of pay upon the attainment of each of the following certifications based upon the subsequent schedule and guidelines.

a. Utilities Field Technicians - 2.5% per "C" Certification (water, sewer or stormwater) to a maximum of 7.5% above the adjusted base rate of pay. "C" Certification incentives shall be specific to the Utilities Field Technician Classification. Promotion or transfer to a Senior Utilities Field Technician or Utility Operations Supervisor will include, if a "C" Certification has/had been attained, a maximum 2.5% certification incentive pay. Any and all other incentive pay will cease.

b. Senior Utilities Field Technicians - 2.5% per "B" Certification (water, sewer or stormwater) to a maximum of 5% above the adjusted base rate of pay. "B" Certification incentives shall be specific to the Senior Utilities Field Technician classification and the Utility Operations Supervisor only and shall include a maximum of

2.5% for having attained a "C" Certification. Each certification pay increase received must be based upon the required levels of certifications held in each of the three (3) separate disciplines (i.e., (1) water; (2) sewer; and (3) stormwater) For example: a "C" Certification in water, a "B" Certification in sewer and a "B" Certification in stormwater would result in a total certification pay increase of 7.5%. On the other hand, a "C" Certification in water, a "B" Certification in water, and a "B" Certification in stormwater would result in a total certification pay increase of 5% because two (2) of the three (3) certifications held are in the same discipline. Promotion to any position other than Utility Operations Supervisor will cease any and all incentive pay.

c. Utility Operation Supervisors - 2.5% per one (1) "B" and 2.5% for one (1) "A" Certification (water, sewer or stormwater) to a maximum of 5% above the adjusted base rate of pay . "A" and/or "B" Certification incentives shall be specific to the Utility Operations Supervisor ("B" also to SUFT) and shall include a maximum of 2.5% for having attained a "C" Certification. Promotion and/or transfer to any other position(s) will cease any and all incentive pay.

Sec. 5: Beginning July 15, 2009, Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics, who have attained "A", "B", or "C" Certifications prior to July 15, 2009, shall receive certification pay as specified in Section 4 of this Article. Treatment Plant Mechanic I, Treatment Plant Mechanic II, and Chief Utility Mechanics hired prior to July 15, 2009 (excluding any employee covered by the first sentence in this Section) who attain a "C" Certification or higher in water or sewer (whichever is applicable to their assignment) on or after July 15, 2009, shall receive a maximum of 2.5% certification incentive pay. Employees in these positions hired on or after July 15, 2009, will receive certification pay, upon attainment of the certification, if the certification is required by the City.

Sec. 6: If a CDL (Commercial Driver's License) is required, the City agrees to reimburse the employee up to a maximum of \$495.00 for a CDL certification course, \$75.00 for successfully passing the CDL exam and obtaining a CDL license and up to \$7.00 for tanker endorsement (if applicable). The City shall not reimburse the employee for a medical certification for the CDL license as the City qualifies for an exemption under the Florida Statutes. Employees desiring reimbursement must submit a written request

for approval from their Department Director or designee with the appropriate documents showing payment for the course, passing grade on CDL exam and endorsement (if applicable). Reimbursement is contingent on the successful attainment of the CDL license. Employees who are reimbursed under this section shall be responsible for reimbursing the City for the entire cost of the benefit if they leave City employment voluntarily within 1 year of receiving such benefit. This benefit shall only be provided if the employee obtains the CDL while employed by the City.

Sec. 7: In this Article, use of the terms "Class A, Class B, Class C, as well as the terms "A" Certification, "B" Certification, and "C" Certification" shall be considered interchangeable with the corresponding terms of "Level 1, Level 2, and Level 3" (e.g., the term "Class A" and the term "A" Certification are the same as the term "Level 1" as used in this Article, etc. Effective October 9, 2013, certifications from the Florida Stormwater Association (FSA) will not be accepted as a substitute for either State of Florida certifications or FWPCOA Certifications, except for those employees who already obtained and received recognition for a FSA Certification before October 9, 2013, for as long as those employees maintain that/those FSA Certification(s). Failure to maintain the FSA Certification will result in the employee's forfeiture of that certification with no right to re-qualify for certification pay based on that FSA certification.

Sec. 8: Any certification pay provided in this Article shall be treated as part of the employee's base pay for purposes of the pension plan's definition of compensation and employee contributions.

Sec. 9: An employee who is receiving certification pay as provided in Sections 1 – 5 of this Article and who loses certification equal to 5% or more as a result of a promotion, shall not receive a reduction in salary upon promotion. Further, if the promotion is to one of the following positions within the Public Utilities Department, the employee shall not lose any certification pay and shall be entitled to receive a 5% promotional increase:

- 1) Utility Shift Supervisor;
- 2) Chief Utility Mechanic;
- 3) WTP and WWTP Operations Superintendent;
- 4) Operations Supervisors; and

5) Assistant Underground Utilities Manager.

Sec. 10: Beach Safety personnel who are certified as EMT's shall receive a 2.5% differential above the adjusted base rate of pay provided that their certification remains active. The City shall not be responsible for the cost of obtaining such a certification nor may the employee obtain such certification during working hours.

Sec. 11: Certification pay is calculated using the employee's adjusted base rate of pay.

ARTICLE 14 - WORK SCHEDULING AND OVERTIME

Sec. 1: The current normal workweek for all full-time employees shall consist of forty (40) hours per week. Under no circumstances will benefits/rights associated to full-time employees be reduced or modified if the workweek is altered. The normal workweek for all full-time employees shall consist of forty (40) hours per week, beginning with the employee's first regular shift. The normal workday shall consist of eight (8) or ten (10) consecutive hours of work in the twenty-four (24) hour period. The City may, through a written Letter of Understanding mutually agreed upon with the Union, create a work schedule for police telecommunication employees that will include twelve (12) hour workdays. The employer shall provide to the Union a list of all Bargaining Unit employees who currently work a ten (10) hour day.

Sec. 2: The employer reserves the right to designate a change in the work schedule, weeks, days, hours and shifts of its employees; however no individual employee shall have his/her work schedule or day off schedule changed for the purpose of avoiding the payment of overtime, nor shall any changes in work schedule be made in an arbitrary or capricious manner. In any event, notice of not less than ten (10) working days shall be given to the affected employees and an authorized representative(s) of the Union. Upon the request of the employee or the Union, the employer agrees to meet and confer with the above referenced Union Official(s) and/or the employee. Should the City not comply with the notice requirements, and if appropriate, the above referenced meeting, the employee schedule will not be changed. Further, scheduling changes will not be used for disciplinary purposes.

Sec. 3: Work schedules and regular days off can be changed to provide manning for any unforeseen emergencies. The parties mentioned above will be notified as soon as practicable.

Sec. 4: The employer and the Union recognize that certain type of activities operating on a continuous basis require different treatment as to hours worked, and agree that in those instances, an eight (8) or ten (10) consecutive hour shift, including lunch period, and breaks per Article 19, may be allowed. In the Public Works Department, personnel assigned to beach maintenance will be permitted to operate in a flexible but not split shift

work schedule. In the Recreation Division, program supervisors and staff will be permitted to operate in a flexible but not split shift work schedule. Personnel assigned to ball field maintenance in Public Works will be permitted to operate in a flexible but not split shift work schedule for such events that occur sporadically. Employees assigned to the Police Department who are ordered to extended standby by the Court Liaison Officer, will receive one (1) hour of compensatory time at adjusted base rate of pay plus Enhancements, for such inconvenience. The Union shall provide its written response to each employment case on an individual basis, within 10 days (excluding Saturdays, Sundays and holidays) from receipt of such City notification. Provided the Union does not object to an individual reemployment decision, the City may re-employ the specific retiree for a period not to exceed ninety (90) days. If the Union timely objects, the City shall not proceed with the proposed reemployment. Upon mutual agreement, the initial ninety (90) day period may be extended one-time for up to another ninety (90) days.

may be waived by the employee's supervisor in the event of an employee emergency. The employee must provide proof of the emergency if requested. The City may cancel the use of Personal Leave due to an emergency declared by the City Manager.

Sec. 4: The options chosen by all covered employees in 1980 shall remain in full force and effect, except as may be modified herein. Sick leave hours accrued and unused as of October 1, 1994 shall be referred to as "Existing Hours". Employees who separate from employment with the City prior to October 1, 1994 with less than five (5) years of credited service shall receive no payment for "Existing Hours". Twenty (20) or more years of credited service:	80%

Sec. 6: "Existing Hours" may be used only after an employee has used all "New Hours".

The purpose of paid Sick Leave is to provide protection against the loss of wages by an employee for the necessary absence from duty on a scheduled work day due to illness suffered by the employee or illness in the employee's immediate family that necessitates the employee's absence from work. Attendance to an immediate family member at a hospital while undergoing serious medical attention shall be included under this provision. Sick Leave pay shall not be made for illness or injury incurred as a result of outside employment, intentional self-inflicted wounds, or the continuous use of drugs or alcoholic beverages (except for approved treatment) or injuries while committing a felony. For the purpose of this section, immediate family shall include, spouse, children, stepchildren, mother, father, grandparent, grandchildren, domestic partner (as defined by Broward County's registration of domestic partners or any other county/state registration of domestic partners), and dependent mother-in-law or father-in-law.

Employees absent from duty for a period of three (3) or more consecutive working days due to illness or injury may be required to submit a letter from their physician prior to their return, approving resumption of duties. The letter should be sent to the attention of the

Director of Human Resources. Those employees whom a Department Head has identified as abusing sick leave may be required to submit physician statements on a more frequent basis.

Any employee who abuses sick pay benefits herein set forth or whose reasons for absence are falsified may be subject to disciplinary action. For purposes of this section, abusing sick leave benefits shall be defined as having incurred more than six (6) occurrences involving the use of Sick Leave during a Fiscal Year (October 1st to September 30th) Discipline may not be invoked if an employee can justify the absence with medical documentation. Medical documentation shall mean information provided by a certified physician providing detailed evidence of the employee's inability to perform work during the absences and may be sent to the attention of the Privacy Officer in the Office of Human Resources.

Sec. 7: Upon the death of an employee, any payments due pursuant to Section 4 or Section 5 of this Article shall be paid to the employee's beneficiary. If a beneficiary was not designated, then the payment shall be paid to the employee's estate.

ARTICLE 21 - VOTING TIME

Sec. 1: In order to allow the employees an opportunity to vote in National, State, County or City of Hollywood elections and primaries held prior to those elections, employees covered by this Agreement who make a request to their Division Head, or Supervisor in charge of the Division, may be allowed one (1) hour off without loss of pay at the start or end of their shift, provided such time off does not result in the City having to replace such employee at overtime rates. The Division Head or Supervisor in charge of the Division shall not unreasonably deny such requests, provided the conditions of this Section are met.

Sec. 2: In order to be granted time off, an employee must sign a Voting Roster five (5) working days before the election date, and present a valid voter's registration card. The Division Head or Supervisor will post a list of personnel and the time off granted at least two (2) working days before the election date.

Sec. 3: The City shall grant such requests, provided the requirements of Sec. 2 are met, and further provided same will not substantially hinder the regular operation of the division.

ARTICLE 22 - CONTRACTING OR SUB-CONTRACTING

Sec. 1: If the City is considering contracting out or sub-contracting work, which will eliminate Bargaining Unit positions, the City shall notify the Union no later than one hundred twenty (120) days prior to making any final decision. Sec. 2: The City shall impact bargain with the Union over the issues which will directly affect any Bargaining Unit employee resulting from the proposed contract or sub-contract. The Union shall have the opportunity to present alternative proposals to the administration before the administration submits its recommendations to the City Commission; thereafter, the Union shall have an additional opportunity to present its alternative proposals to the City Commission prior to the City Commission making the final decision on the matter.

Sec. 3: If the decision is then made to contract out or subcontract work, to a private or other governmental entity, the City shall request that the entity employ the City's displaced personnel for a period of eighteen (18) months at such wage and benefit levels as the displaced employees received from the City on the effective date of the subcontract. However, if the sub-contractor is unwilling to hire the displaced employees with the conditions stated above, the City shall employ the displaced employees in another capacity at no loss of wages or benefits to the displaced employees. For purposes of this Article, a displaced employee is defined as any employee who loses his/her position due to the effect of sub-contracting services otherwise provided by the City. Any employees electing not to be employed by the sub-contractor shall have the right to exercise all rights under this Agreement including, but not limited to, transfer, filling vacancies, lay off and recall. Any reduction in force will be handled insofar as practicable through attrition and/or transfer to other positions.

The City also agrees, however, that if the HRA program for employees covered by the IAFF/Fire or PBA/Police Bargaining Unit agreements is changed to allow the unused annual amounts to "carry over" from year to year, then the City agrees that it shall make that same change to the HRA program for AFSCME bargaining employees.

Sec. 3: The City shall provide a dental insurance plan for its regular full-time employees and such dependents meeting eligibility requirements thereof at a total cost not to exceed \$19.00 per employee per month. If the arbitrator finds that the Proposed Rule violates the specific written terms of this Agreement or is unreasonable, then the Proposed Rule shall not be implemented. The

Proposed Rule shall not be implemented until after the arbitrator's award is received and then only if the City prevails.

Sec. 4: There shall be a single set of Rules and Regulations applicable to all employees of the City. This shall not prohibit any department from adopting written operational procedures specific to the needs of that department. Written operational procedures established by any Department shall be distributed to all employees in that department. Each employee will be provided with the operational procedures and acknowledge in writing his/her receipt of such written operational procedures. Sec. 2: An employee who is laid off or whose job is abolished pursuant to Sec. 1 shall, based on City-wide seniority, have the option of bumping either laterally or downward to a class title for which the employee is reasonably qualified and/or has the ability to be trained to perform the essential tasks of the job within ninety (90) days of appointment. In the alternative, employees may, at the non-arbitrary discretion of the City Manager, be placed into a higher paid class title if qualified. Qualification criteria shall be based upon the approved position description.

Sec. 3: In the event of a lay-off, the City will make every effort to give as much notice as possible. In no event will employees receive less than a three (3) week notice of lay-off, or, in lieu of notice, three (3) week pay at the employee's regular rate of pay in addition to all paid accrued leaves. Re-appointment shall be to any vacancies which exist, first, in the class title from which the employee was laid-off; and second, in any position for which the employee is reasonably qualified and possesses City-wide seniority. Laid-off employees shall have the first right to recall for vacancies in the class title from which they were laid-off.

Sec. 5: Any employee, whose name is listed on a recall list, who refuses appointment to a position with a lower pay grade, will have up to two (2) opportunities to be rehired to a class title with a lower pay grade for a position for which the employee is reasonably qualified. If there is more than one position available, the employee shall be given the option of choosing the one equal to or closest to his/her former pay grade. If both

opportunities are declined, the employee shall have no further right to recall to a class title with a lower pay grade.

Sec. 6: Employees refusing re-employment in a class title with an equal or higher pay grade shall have no further rights to recall for that class title.

Sec. 7: Employees refusing recall to their originally held class title and pay grade lose all recall rights, and if at the time of this recall they are employed in a lower classification, the employee's pay shall be lowered to the pay grade level applicable to the employee's years of service for that lower paid class title.

Sec. 8: If the recalled employee fails to respond in writing within (14) calendar days of the receipt of the notice of recall letter, then he/she shall be deemed to have refused the position offered.

ARTICLE 29 - GRIEVANCE PROCEDURE AND ARBITRATION

Sec. 1: (a) The City and the Union have negotiated a grievance procedure to be used for the settlement of disputes involving the interpretation or application of the Agreement. Such grievance procedure shall have as its terminal step a final and binding disposition by an impartial neutral, mutually selected by the parties. However, an arbitrator or other neutral shall not have the power to add to, subtract from, modify, or alter the terms of the Agreement.

(b) The Union may exercise its right not to process a grievance of a non-union member. Additionally, if the Union declines representation, any employee may elect to process a grievance over disciplinary actions without Union assistance. In such case, the Union will notify the member and the City and upon such notification, the City shall thereafter conduct all official communication directly with the aggrieved employee(s), with a copy to the Union including dates of any hearings. Nothing in this section shall prohibit the Union from participating at any grievance step when it deems it necessary to protect the integrity of this Agreement.

Sec. 2: Any grievance defined as a claim reasonably and suitably founded on a violation of the terms and conditions of this Agreement, shall systematically follow the steps outlined below as the Grievance Procedure. Any grievance filed shall refer to the Article(s) of this Agreement alleged to have been violated, and shall set forth the facts pertaining to the alleged violation or violations and shall include the corrective action or actions requested by the aggrieved party. A grievance must be communicated in writing to the employer by the Union within fourteen (14) calendar days from the events giving rise to the grievance or as soon as might reasonably be known to exist, otherwise it is deemed to be waived.

Step 1: The written grievance shall be presented to the Department Director or his/her designee. The grievance will be dated and signed by the Union representative, or the aggrieved employee if the Union is not processing the grievance. The Department Head or his/her designee shall acknowledge receipt of the grievance by stamping it with the date and time, with a copy to the Union. The Department Head shall, within seven (7) calendar days conduct a meeting between himself/herself, the

aggrieved employee(s) and/or the Union representative. The Department Head shall give the decision to the Union in writing, with a copy to the aggrieved employee(s), or the aggrieved employee if the Union is not processing the grievance, within seven (7) calendar days following the meeting date.

Step 2: If the Union, or the aggrieved employee if the Union is not processing the grievance, is not satisfied with the decision rendered at Step 1, the Union, or the aggrieved employee if the Union is not processing the grievance, may, within seven (7) calendar days from the written decision rendered at Step 1, forward the written grievance to the office of the City Manager (stamped in with date and time). The City Manager or his/her designee shall meet with the aggrieved employee(s) and/or his/her Union representative(s) within seven (7) calendar days after receipt of the grievance. The City Manager or his/her designee shall furnish a copy of his/her decision, in writing, to the Union, or the aggrieved employee if the Union is not processing the grievance, within seven (7) calendar days after the meeting.

Step 3: If the Union, or the aggrieved employee if the Union is not processing the grievance which challenges a disciplinary action against that employee (but not a contract interpretation grievance), is not satisfied with the decision rendered at Step 2, the Union, or the aggrieved employee if the Union is not processing the disciplinary grievance, may, within fourteen (14) calendar days from receipt of the City Manager's decision, submit the grievance to arbitration, by requesting a list of arbitrators from the Federal Mediation and Conciliation Service (F.M.C.S.) or the American Arbitration Association (AAA), the choice of agency within the discretion of the Union. Only the Union is authorized to take contract interpretation grievances to arbitration. The request shall seek a panel of eleven (11) names, and either party may request a second panel of names. The parties shall strike names alternatively from the list of names to select the neutral arbitrator. The award of the arbitrator shall be final and binding on all parties.

Sec. 3: Rules for Grievances and Arbitration processing:

(a) The grievance shall be submitted on an Official Grievance form. Attachments may be added, if needed. The City and the Union, or the aggrieved employee if the Union is not representing the employee, shall mutually agree in writing as to the statement of the grievance to be arbitrated before the arbitration hearing, and the arbitrator shall confine

his/her decision to the grievance submitted. In the event the parties are unable to agree on the statement of the grievance to be submitted to the arbitrator, then the arbitrator shall confine his/her consideration and determination to the written statement of the grievance at Step 1 and any defenses raised by the City.

(b) Time limits at any step in the grievance process may be extended only by mutual written consent of the parties involved at that step.

(c) A grievance not advanced to the higher step within the time frames provided shall be deemed permanently withdrawn as having been settled on the basis of the decision most recently given. Failure on the part of the employer or his/her designee to answer or meet within the time limits provided at Step 1 or 2 will cause the grievance to be considered resolved in favor of the grievant or the Union and all parties will abide by the "corrective action or actions requested" on the grievance form or attachments.

(d) Notice that a grievance shall be advanced to the next point in the process shall be given by (a) hand delivery or (b) certified mail, return receipt requested or (c) in the case of notice to the Union by date stamping and depositing in the Union mailbox in the Human Resources Division. Hand deliveries will be documented by a date-stamped photocopy or by a dated signature of the recipient. Grievances delivered via certified mail shall be considered properly advanced as of their postmark, but shall not be considered to have been received by the next party until the actual date of delivery or date of refusal of delivery. Grievances deposited in the Union mailbox shall be considered properly advanced when date stamped, but shall not be considered received until picked up by the Union, as indicated by date stamp, with a copy to the City. The clock will start the day after delivery or pick up.

(e) On-duty personnel called by the Union, or the aggrieved employee if the Union is not processing the grievance as a witness shall remain in pay status only during their normal duty hours while appearing at the hearing. Such personnel shall respond to subpoena on as-needed basis to minimize waiting time so as not to disrupt the operations of their department. Hearings shall be held in hearing rooms provided by the City, in City facilities at no charge to the Union.

(f) The parties agree that in accordance with current practice, both the City and the Union, or the aggrieved employee if the Union is not processing the grievance, will have

the option of electronically recording (through audio or video tape) all steps of the grievance procedure as outlined in Section 2 above, including the arbitration hearings. Any party desiring a transcript shall bear the cost of such transcript unless both parties mutually agree to share said cost.

(g) The arbitrator's bill shall be paid by the party that does not prevail.

(h) All employees covered by this Agreement shall have no other right to utilize any appeal process, (specifically the Civil Service Procedure) other than the grievance procedure described herein.

(i) The City shall furnish the Union with copies of grievances filed by non-Union members as soon as practicable but in no event less than two days prior to the initial meeting of the grievance procedure.

(j) Grievances shall be settled as expeditiously as possible.

ARTICLE 30 - FAMILY AND MEDICAL LEAVE ACT / SPECIAL LEAVE /
LEAVE OF ABSENCE WITHOUT PAY

Sec. 1: FAMILY AND MEDICAL LEAVE ACT (FMLA):

- A. An employee who has worked with the City at least twelve (12) months and who has worked at least 1250 hours in the last twelve (12) months prior to the beginning date of the leave may be entitled to twelve (12) work weeks of unpaid, job-protected leave during a twelve (12) month period for specified family and medical reasons, as defined and controlled by the Family and Medical Leave Act of 1993 and U.S. Department of Labor FMLA Regulations, as may be amended from time to time.
- B. Eligible Reasons for FMLA Leave:
1. birth and care of a newborn child of the employee;
 2. placement with the employee of a child for adoption or foster care;
 3. care for an employee's spouse (or registered domestic partner as defined by Broward County's registration of domestic partners or any other county/state registration of domestic partners), parent, or child with a serious health condition (as defined by the FMLA);
 4. serious health condition that makes the employee unable to perform the functions of the employee's job;
 5. exigency related to active duty military service by the employee's immediate family member
 6. up to twenty six (26) weeks of leave may be taken to care for a spouse, son, daughter, parent, or next of kin who is a member of the Armed Forces and who is undergoing medical treatment or who is medically unfit to perform military duties due to an injury or illness incurred while on active duty.
- C. Procedure
- An employee requesting FMLA is required to utilize all accrued leave benefits before becoming eligible for unpaid leave. Unless otherwise designated in advance by the employee, accrued leave shall be used/deducted in the following

order: sick, vacation, comp time, holiday, and blood time. Use of accrued leave will be counted as part of the family leave time entitlement. An employee is not entitled to accrue leave during any period of unpaid leave.

Employees requiring the use of FMLA Leave must submit a FMLA application to their Department Head no later than thirty (30) days prior to the need for such leave unless it is an unforeseeable emergency. The City may automatically designate FMLA when an absence meets FMLA qualifications.

1. Leave may be requested on a continuous basis, intermittent basis or on a reduced work week schedule, if medically necessary. The employee must provide medical certification within fifteen (15) days of the date requested. The employee must attempt to schedule their intermittent or reduced leave so as not to disrupt the organization's operations. The employee may be required to transfer temporarily to a position with equal pay and benefits that better accommodates recurring periods of leave or a reduced work schedule.
2. Upon returning from FMLA the employee is entitled to return to the same position held when the leave began or to a similar position with equivalent benefits and pay, unless the position would have been eliminated had the employee not been on leave. In such circumstances, the employee may apply for any other vacant position for which they are qualified. Should the leave continue beyond the twelve (12) work week period, reinstatement rights are at the discretion of the City.
3. An employee granted FMLA will continue to be covered under the City's insurance plans under the same conditions and coverage as would have been provided if the employee had been actively employed during the leave period. However, if any part of the leave is unpaid, the employee must make payment arrangements for the benefit contributions that are normally deducted from their paycheck.
4. An employee who is absent from work for three (3) days or more, due to personal illness/injury, must provide Human Resources with a fitness-for-duty certification signed by their physician certifying their fitness to return

to work. If restrictions are listed, reinstatement will be at the discretion of the City.

5. An employee who fails to return to work on the date specified on the leave request form without receiving an extension in advance is subject to disciplinary action up to and including termination. Employees who do not return from FMLA leave must reimburse the City for the value of their health insurance premium payments made on their behalf during the duration of the leave, unless the employee is physically unable to return to work.

Sec. 2: SPECIAL LEAVE:

- A. An employee who incurs a temporary medically disabling condition, not attributable to work, may upon written request be granted a Special Leave. The initial period for said Special Leave shall not exceed three (3) months. Upon further written request, the Department Head may extend such leave up to an additional nine (9) months. The total combined Special Leave shall not exceed twelve (12) months. Upon return, the employee shall present a letter from his/her physician stating that the employee is fit to return to full, unrestricted duty.
- B. This leave is available for an FMLA qualifying event, once the employee has used all available FMLA Leave, if applicable, as provided above. Once FMLA leave is exhausted, Special Leave may be approved for up to nine (9) months. The total of FMLA Leave and Special Leave shall not exceed twelve (12) months.
- C. An employee requesting Special Leave is required to utilize all accrued leave benefits before becoming eligible for unpaid leave. Employees will not receive holiday pay, or earn any accrued leave or pension benefits, or be entitled to any other benefits of employment other than health and life insurance (at the employee's expense as stated in Section C. 3, above) while on any unpaid leave.

- D. An employee who incurs such a temporary medically disabling condition during a probationary period may, at the discretion of the Department Head and City Manager, be granted a Special Leave as indicated above. If Special Leave is granted, the employee's probationary period shall be suspended at that point. Upon the employee's return to work, the probationary period shall be resumed so that the total number of months spent on special leave shall be spent in a probationary status and a full probationary period shall be served.

Sec. 3: LEAVE OF ABSENCE:

- A. Upon written request, a leave of absence for a period not to exceed thirty (30) calendar days may be granted to an employee for any reasonable purpose by the Department Head so long as it does not hamper the efficient operation of the City and/or Department.
- B. Such leaves may be renewed or extended for a period up to sixty (60) calendar days, if requested, in writing, and approved by the City Manager or designee. The denial of a leave of absence under this section shall not be grievable. In certain circumstances, and at the sole discretion of the City Manager or designee, an employee may be allowed to use accrued paid leave while on a leave of absence.

Sec. 4: No employee who is granted FMLA, Special Leave, or an Unpaid Leave of Absence may engage in work for profit during said leave without the express permission of the City Manager.

Sec. 2: If any provision of this Agreement, or the application of such provision is in conflict with existing mandatory Federal or State Laws, or mandatory provisions of the City Charter, such provisions shall be renegotiated and the appropriate mandatory provisions shall prevail.

Sec. 3: If any provision of this Agreement, or the application of such provision, is increased or modified by action of the State Legislature, the parties agree to immediately reopen negotiations on that provision and that both parties agree to negotiate in good faith to reach an expedient resolution. In those cases where specific corrective action becomes necessary, the disciplinary measures taken shall be for just cause and shall be progressive; however, in specific instances where warranted, severe disciplinary measures up to and including termination may be imposed without utilization of progressive procedures. Disciplinary action shall be administered in a manner that is fair and consistent.

Sec. 2: (a) When an employee is called in by his/her supervisor for the purpose of an oral counseling or warning, the employee shall not be entitled to have a Union representative present.

(b) When an employee is called in by his/her supervisor or higher authority to receive a written warning, written reprimand, or other notice of discipline to be administered, he/she shall be entitled, at his/her request, to have his/her a Union representative.

(e) While the parties understand and agree that a performance evaluation is not a form of disciplinary action and is not grievable, except as provided for in Article 17, Section 6, they realize that at times the employee will be counseled, warned or reprimanded, in writing, to improve deficient job performance. To this end, the following procedure will apply: When the supervisor calls the employee in to review a performance evaluation that is less than satisfactory in whole or in part, he/she is to so advise the employee who shall then be entitled upon request to have the Union representative present; the Union representative shall not interfere in the conduct of the meeting nor shall he/she question or raise questions to the supervisor. Any imposition of discipline shall be within the aforesaid 60-day rule regardless of the duration of time that it takes for the City to complete any and/or all investigation of the alleged violation(s).

The 60-day rule in the aforesaid paragraph shall be applicable to all City employees except those employed by the Police Department. Discipline imposed upon employees employed by the Police Department when the alleged violation is being investigated by Internal Affairs shall be imposed within ninety (90) days from the time the Police Department, including immediate supervisors and any other superiors outside of the Bargaining Unit in the employee's chain of command, knew or should have known of the alleged violation. Any imposition of discipline shall be within the aforesaid 90 day rule regardless of the duration of time that it takes for the Police Department to complete any and/or all investigations of the alleged violations.

Discipline imposed upon employees employed by the Police Department which involve alleged violations which are not investigated by Internal Affairs but by another investigatory arm of the Police Department shall be imposed within 60 days from the time that the Police Department, including immediate supervisors and any other superiors outside of the Bargaining Unit in the employee's chain of command, knew or should have

Sec. 7: If an employee does not repeat the offense leading to a written reprimand, for a period of 12 months from the date of the written reprimand, then that written reprimand will not be used as the basis for a future disciplinary action unless a second offense occurs within the 12 month period.

Sec. 8: Whenever the imposed discipline is in the form of a suspension without pay, the employee may elect to forfeit accrued vacation, blood, compensatory or holiday leave, if any, equal to the suspension, in lieu of the loss of pay; if the employee elects this option, such election shall be conditioned upon full waiver of any and all rights to appeal the suspension.

Sec. 9: Employee suspensions will not be served until at least fourteen (14) calendar days after the final date of notification. If the employee chooses to appeal a suspension through the grievance and arbitration procedure, the suspension will be held in abeyance until the appropriate appeal process has been concluded.

(a) Seniority as used herein is defined as the right accruing to employees through length of continuous service which entitles them to certain considerations and preferences as provided for in this Agreement. Seniority shall mean the length of continuous service an employee has with the City beginning with the date of hire. When there is a tie in City-wide seniority, the City will use the date stamp on the original application (for original appointment) for breaking the tie.

(b) Probationary employees shall have no seniority rights. However, upon completion of an employee's probation, he/she shall be given seniority credit from his/her date of hire.

(c) An employee's continuous service record shall be broken by voluntary resignation, lay-off, discharge for just cause and retirement. If an employee returns to work for the City in any capacity within five (5) years of date of leaving, his/her seniority date will be adjusted by the length of absence.

(d) Employees on approved leaves of absence shall not be considered to have had a break in service.

(e) There shall be no deduction from continuous service for any time lost which does not constitute a break in continuous service.

Sec. 2: USE OF SENIORITY

(a) Seniority will be used as provided in Article 14, Work Scheduling and Overtime, Article 28, Lay-Off and Recall, and Article 37, Vacations.

(b) The following priority factors will apply when making routine permanent shift assignments and work schedules within a job classification, unless a particular work group within a division unanimously agrees to continue the existing practice:

1. Efficient operation of the Department.
2. Ability to perform the assignment.
3. Seniority in time in grade.
4. When factors "2 and "3" are relatively equal, seniority shall govern.

(c) Should a senior employee be excluded from a work schedule/shift assignment because of #1 or #2 of the above, the employee will be informed, if requested, in writing of the specific requirements.

ARTICLE 43 - PREVAILING RIGHTS/BENEFITS

Sec. 1: All prevailing rights/benefits of employment specifically included or specifically referred to in this Agreement, in addition to and including those stated or referred to in Sec. 2 and Sec. 3 below shall be maintained in full force and effect for the duration of this Agreement.

Sec. 2: If a recognized prevailing past practice is challenged by the City or the Union, the City and the Union agree to hold an informal hearing mediated by F.M.C.S. to determine if the matter in question is indeed a past practice.

If it is determined that a past practice exists, the City and the Union will negotiate a Letter of Understanding to become part of the Agreement. If the parties do not agree, they will take the matter to instant arbitration with a binding decision.

Sec. 3: The City will maintain its existing policy with respect to:

- (a) Shower time for Water and Wastewater-Treatment personnel, Underground Utilities personnel, and Beach Safety.
- (b) Permanent, non-rotating shifts by assignment
 - (1) utilities plant personnel
 - (2) police civilian personnel, excluding I.D. technicians and Community Service Officers.
- (c) Donation of sick leave, vacation leave, or compensatory time to disabled employees. (Otherwise known as the Sick Leave Pool), attached hereto.

ARTICLE 44 - WORKERS' COMPENSATION/SUPPLEMENTAL COMPENSATION

Sec. 1: An employee becomes eligible for Workers' Compensation benefits due to a job-related injury or illness shall receive a full paycheck from the City while in a workers' compensation status for up to thirteen (13) consecutive weeks from the date of injury or illness (regardless of when the first date of lost time due to that may illness/injury thereafter occur), with the identical wages and benefits which he would have received had he not been injured and had he continued to work his regularly assigned City assignments ("Supplemental Compensation").

In the event a full time employee, as determined by a City designated physician, is unable to return to work after thirteen (13) weeks from the date of the injury or illness, the situation will be reviewed by the City Manager or designee. The City Manager or designee shall extend the period of regular pay for up to an additional thirteen (13) weeks (for a maximum of 26 weeks). An employee may request an additional extension up to a maximum of nine (9) weeks beyond the twenty-six (26) week eligibility period that began on the date of the employee's workers' compensation injury/illness, provided the employee's written request for extension, with supporting medical information, is received by the City at least fourteen (14) days before the expiration of the twenty-six (26) week eligibility period that began on the date of the employee's workers' compensation injury/illness. The decision to grant or deny this request for an additional extension of up to nine (9) weeks shall be made in the sole and exclusive direction of the City Manager, or his/her designee, and that decision is final and shall not be subject to appeal or challenge via the grievance procedure found in this agreement or in any other forum.

Eligibility for the Supplemental Compensation benefit provided to those employees in workers' compensation status under this Article shall never exceed the maximum of twenty-six (26) weeks from the date of the employee's workers' compensation injury or illness, unless the eligible employee timely submits and is approved for an additional extension of up to nine (9) weeks, in which case the eligibility for the Supplemental Compensation benefit under this Article shall never exceed thirty-five (35) weeks from the date of the employee's workers' compensation injury or illness.

An employee who remains in workers' compensation status but who has returned to work during the thirteen (13) week, twenty-six (26) week, or thirty-five (35) week eligibility period, shall be paid their regular pay for time missed from work during the applicable eligibility period on an occasional or intermittent basis to attend a required workers' compensation doctor visit or medical treatment and, as a result, they shall not have to use their own accrued or unpaid time for the work time missed to attend that required workers' compensation doctor visit or medical treatment during the thirteen (13) week, twenty-six (26) week or thirty-five (35) week eligibility period that began on the date of the employee's workers' compensation injury or illness.

Sec. 2: An injured employee receiving Workers' Compensation benefits shall be evaluated by physicians chosen by the City. In determining the employee's fitness for duty, the City's physician(s) shall base his determination upon the tasks and duties performed by the employee as set forth in the employee's Position Description, which shall be provided to the physician. In the event that the employee may return to work in a limited or restricted capacity, based on the City physician's evaluation, the employee would be permitted to perform duties on a temporary basis outside of their normal job classification and/or assigned department or division at their regular rate of pay. A determination of appropriate duty will be made based on the restrictions, by the Human Resources Director. When an employee has been assigned to another Department/Division, that employee will report directly and be supervised by that Department/Division. The supervisor within the new Department/Division will notify the employee's original Division of changes in the employees' status. The parties agree to regularly meet and discuss the status of the employee's assignment relative to the restrictions, the efficiency and productivity of the alternate assignments. In the event that the City Manager, based on the City physician's evaluation, determines that an employee is physically capable of returning to work and performing his regular duties, the employee shall return to work on his next regularly scheduled work day. If the employee disagrees with the City Manager's determination returning him to work, the employee may appeal that determination utilizing the State of Florida Workers' Compensation Statute. There shall be no appeal of this determination utilizing the grievance procedure set forth in this Agreement. If it is determined under the Workers' Compensation Statute that the employee was improperly ordered to return to work by the City Manager,

the employee, in addition to his benefits under Workers' Compensation, shall receive from the City retroactive from the date that the City ceased payment to the present all Supplemental Benefits as set forth in this Article to which the employee would have been entitled had the City not improperly ceased payment.

Sec. 3: In the event that the City Manager, based on the City physician's evaluation, determines that an employee injured on the job is no longer capable of performing his regularly assigned tasks and duties as set forth in his Position Description, the employee, if he disagrees with said determination and seeks to return to his former City position, shall have the right to obtain and submit to the City opinions/determinations from private Physicians that the employee can perform his regularly assigned tasks and duties as set forth in his Position Description. In the event of disagreement of physicians, the parties shall each submit the name of one physician who specializes in the field of medicine involved with the two submitted physicians mutually selecting a third physician who shall examine the grievant and determine if the employee is capable of performing his regularly assigned tasks as set forth on his Position Description. The third physician's determination shall be final and binding on all parties.

Sec. 4: For purposes of this Article, notifications to the Employee shall be performed exclusively by Certified Mail Return Receipt signed only by the Employee.

Sec. 5: Nothing in this Article is intended to deprive and/or shall deprive an employee of any rights and/or benefits to which he is entitled under the provisions of this Agreement, any applicable Local Ordinances, or State or Federal Statutes.

ARTICLE 45 - CLASSIFICATION EVALUATION AND REVISION

Sec. 1: It is the sole responsibility of the City to determine the job content, qualification requirements, duties, and the relative significance to the City's operation of each job within the Bargaining Unit. Whenever there is a proposed change to a position title, classification, or position description concerning the content, qualifications, and/or duties of a position within the Bargaining Unit, the City will bargain with the Union over the proposed change at least twenty (20) calendar days prior to implementation of the change. The terms "job description", "class specification", and other similar phrases are all synonymous with the term "position description". Copies of any changes will be furnished to the Union during this review period. Should the City fail to notify and, if requested, bargain the proposed changes with the Union, such changes will not be implemented.

Sec. 2: A request to study an individual position may be initiated by an employee, if the employee believes that his/her position has changed so substantially as to warrant a change from his/her existing classification, title, and/or position description to another existing classification, title and/or position description. Change request(s) shall first be submitted to the employee's Department or Office Director for review and comment and then forwarded to the Office of Human Resources for internal study and review. Each request shall contain specific details in support of the request. Any changes recommended by the City as a result of the provisions of this Section shall be implemented according to Section 4 of this Article.

Sec. 3: A request for study of an individual position may be initiated by the Department or Office Director if he/she believes that the position has changed so substantially as to warrant an evaluation and revision of an employee's existing classification, title and/or position description to another existing classification, title and/or position description. Such request shall first be discussed with the concerned employee for comment and then forwarded to the Office of Human Resources for internal study and review. Each request shall contain specific details in support of the request. Any changes recommended by the City as a result of the provisions of this Section shall be implemented according to Section 4 of this Article. This provision will only be used to consider an upgrade in the requested classification.

Sec 4: For requests as outlined in Sections 2 or 3 of this Article, the Office of Human Resources shall report its findings and recommendations to the City Manager within ninety (90) days of receipt of the request. Copies of the findings and recommendations shall also be sent to the Department/Office Director and the employee. If a proposed change is approved by the City Manager, the change, and any pay adjustment, if applicable, will become effective at the beginning of the pay period following the approval. Any approved change in classification, title, and/or position description will not alter the performance review date for the employee.

Sec 5: Limits: Reclassifications will be limited to less than 25% increases. Any reclassification determined by the City and agreed to by the Union of a 25% or more pay increase must be filled through the Civil Service process rather than the reclassification process.

Sec 6: Wage Increase: Wage increases for reclassification will be 5% of adjusted base rate of pay. If 5% of adjusted base rate of pay is less than the start of the pay scale, then the reclassification will result in the start of the new pay scale.

Sec 7: Eligible employees: Employees must have been in their present position at least six (6) months prior to requesting a reclassification, however, this does not preclude the City from reorganizing and initiating negotiations with the Union for positions where incumbents have less than six (6) months experience, or for vacant positions.

Sec 8: Employee Commitment: Any employee receiving a reclassification to a higher pay grade will not seek a promotion or lateral transfer for at least six (6) months.

ARTICLE 46 - SHIFT DIFFERENTIAL

Sec. 1: Employees assigned to shiftwork where the majority of their work hours fall between 12 midnight to 8:00 A.M., shall receive an additional \$0.80 per hour.

Sec. 2: Employees whose shift is scheduled from 4:00 A.M. to 12 noon shall be given a shift differential of \$0.80 per hour only for hours worked between 4:00 A.M. to 8:00 A.M.

Sec. 3: Employees whose shift is scheduled from 12 noon to 8:00 P.M. shall be given a shift differential of \$0.60 per hour only for hours worked between 4:00 P.M. and 8:00 P.M.

Sec. 4: Employees assigned to shiftwork where the majority of their work hours fall between 4:00 P.M. and 12 midnight, shall receive an additional \$0.60 per hour for all hours worked.

Sec. 5: Employees whose shift is scheduled from 8:00 P.M. to 4:00 A.M. shall be given an additional \$0.70 per hour.

Sec. 6: The provisions of this section shall not apply to any employee who is called in to work non-shift overtime.

Sec. 7: Employees who work in departments where a regular twenty-four (24) hour operation exists shall be paid as follows:

4-12 midnight or when the majority of hours assigned are between these hours shall be given an additional \$0.60 per hour.

12 midnight – 8 a.m. or when the majority of hours assigned are between these hours shall be given an additional \$1.00 per hour.

Sec. 8: Shift differential pay shall not apply to employees in the positions of Plant Operator I – Rotator or Plant Operator I Trainee – Rotator.

ARTICLE 47 - DRUG FREE WORK PLACE

Sec. 1: The City and the Union recognize the requirements of the U.S. Department of Transportation's Drug and Alcohol Testing Program for Employee Drivers of Commercial Motor Vehicles and, as such, the City and the Union support the City's policy (as revised on January 1, 2004) for testing those individuals who are mandated to be tested by the Federal Law and under the guidelines of the City Testing Program.

Sec. 2: The City and the Union continue to support the concept of a drug and alcohol free work environment for all City employees and to this end, the City and the Union agree that all employees must abide by the Employment Rules and Regulations, sub-section, (P) "Chemical Intoxication", that are in effect as of January 1, 1997, which states as follows:

CHEMICAL INTOXICATION

Should an employee have reported for duty, is on duty, found upon City property or is operating a City vehicle while under the influence of or while in possession of an alcoholic beverage, or any non-prescription narcotic, barbiturate, mood-ameliorating, tranquilizing, hallucinogenic, or any non-prescribed controlled substance, they shall be deemed to have consented, as a condition of employment, to a breath and/or blood and/or urine analysis when ordered by the City Manager, the employee's department head or any police officer to take such a test. The presumptions for being under the influence of an alcoholic beverage, chemical substance or controlled substance shall be based on prudent judgment and in accordance with applicable statute. A refusal to obey an order to take such a test under the circumstances described herein shall be independent grounds for disciplinary action.

Sec. 3: Except as stated below, as a condition of continued employment for all employees hired after April 7, 2006, the parties agree that such employees are prohibited from any on or off duty smoking or other use of any tobacco products. The parties agree, however, that this section does not apply to employees hired by the City prior to April 7, 2006, who retire from the City with retiree health insurance benefits, and are thereafter re-hired by the City within one (1) year of their retirement/separation date.

ARTICLE 48 - EDUCATIONAL REIMBURSEMENT PROGRAM

Sec. 1: To assist full-time employees covered by this Agreement, where practical and feasible, to participate in training or educational programs designed to strengthen their abilities, which in turn directly benefits the City by assisting them in performing their duties, the City shall provide employees certain terms and conditions as follows:

- a. To be eligible to participate in the Educational Reimbursement Program, a newly hired employee must have achieved permanent status by successfully completing the probationary period.
- b. Employees must receive "satisfactory" or better Employee Performance Evaluations prior to the beginning of the course work.
- c. Employees shall only be reimbursed for one job related degree at each level (e.g., one Associates or one Bachelor's or one Master's level degree).
- d. Employees shall be limited each fiscal year to a maximum total of \$1,800.00 annually for tuition reimbursement costs.
- e. Employees who receive benefits under this program, who voluntarily leave the City's employment within two (2) years of receiving such benefit, shall be responsible for reimbursing the City for the entire cost of the benefit.
- f. The City Manager retains the discretionary authority to further limit or discontinue the tuition reimbursement program at any time in a fiscal year based on the availability of funds.

Sec. 2: Employees will be eligible for City reimbursement for the costs of books and tuition in the following manner:

- a. In order to be considered for the Educational Reimbursement Program, all course work must be taken at an accredited college or university and must be properly approved prior to the beginning of the class by the City Manager or designee.
- b. Employees desiring reimbursement must submit a written request for approval from the City Manager or designee.

- c. Reimbursement will be for courses leading to college or post graduate degrees. Reimbursement will be provided for approved on-line coursework.
- d. The refund amount payable shall be based upon the fee schedule of a State of Florida's public university or college at the time the course is completed, regardless of the fact that the employee may be attending a private educational institution.
- e. When an employee completes the approved course work, it is their responsibility to submit copies of the grades and tuition receipts to the City Manager or designee. The reimbursement procedure for related courses will consist of the following:
 - 1. 100% reimbursement when a grade of "A" or "B" is earned.
 - 2. 100% reimbursement for successfully completing pass/fail courses.
 - 3. 50% reimbursement when a grade of "C" is earned.
 - 4. If the accredited institution only gives credit or no credit, a credit grade will be accepted as satisfactory completion and equal to a grade of "C".
 - 5. Employees receiving aid or who have scholarship as well as employees qualifying for benefits under State or Federal programs are eligible for reimbursement under this policy. However, financial assistance from other sources will offset any reimbursements payable by the City.

ARTICLE 49 - BLOOD TIME COMPENSATION

Sec. 1: Effective March 5, 2014, no blood time compensation shall be accrued for any Bargaining Unit employees. Upon termination or when an eligible employee submits the written election to participate in the Planned Retirement Benefit all blood time shall be paid at the member's then current adjusted base rate of pay plus Enhancements.

Sec. 4: Health insurance and HRA eligibility has been established as follows:

- New employees who the City anticipates will work 30 or more hours shall be initially eligible for health insurance and HRA limits at the same time as regular full-time employees (first of the month after a 30-day waiting period). For eligibility for subsequent calendar years, their hours will be evaluated each October.
- New employees who the City anticipates will work between 15 and 29 hours, will have a 12-month look-back provision for health insurance eligibility. In other words, a newly hired employee's hours will be analyzed on his/her anniversary date to determine if he/she is eligible for health insurance for the next calendar year. If he/she is eligible, he/she will have the option of obtaining health insurance for the next calendar year. For years thereafter, their hours will be evaluated each October for health insurance eligibility for the next calendar year.
- New employees who the City anticipates will work less than 15 hours are not eligible for part-time benefits.

Sec. 5: For determination as to whether newly hired part-time employees are eligible for placement into the non-medical benefits categories (i.e., sick leave, vacation leave and holidays) set forth in Section 2 or Section 3 above, the employee will be placed into the appropriate non-medical benefit category, if any, on their hire date based on the weekly hours that the employee is anticipated to work. Thereafter, the City shall monitor and re-evaluate each part-time employee's continued eligibility for the benefits applicable to their work hours, but the City agrees that absent a dramatic change in any regularly scheduled part-time employee's work schedule, the employee's benefit levels will be changed only in the beginning of the first pay period on October 1st in each year.

Sec. 1: This Agreement shall be effective upon the date of ratification by the parties and shall remain in full force and effect until September 30, 2022.
