

Salesforce Fundamentals for Non-Profits

Learn How to Save **Time, Money** and **Resources** with Salesforce Fundamentals for Nonprofits!

Salesforce Nonprofit Success Pack is a CRM (customer relationship management) solution that will allow your organization to track all clients, donors, volunteers, and organizational contacts in one system.

Join us on April 29, 2025 from 2pm-3pm for a free info session to learn more about the Salesforce for Nonprofits platform, eligibility requirements and how to apply for up to 10 free licenses, as well as how to utilize Ohio TechCred funding to get reimbursed on training to use the system.

*You will need your salesforce login for the training.
Salesforce Training may be eligible to be reimbursed through [TechCred](#)**

***[Click here](#) to learn more about TechCred eligibility.

- Is your organization looking for ways to save time, money and build capacity?
- Are you struggling to find time to manage your volunteers, donors and clients?
- Do you know that you need something better than Excel but don't know how to start?
- Do you think it is too difficult or time consuming to start using a new system?
- Do you wish you had reporting and dashboarding that are easy to use?

Scan the QR Code or [click here](#) to register for our Free info Session on April 29th at 2pm.
