

100th Anniversary Gala

ST. STANISLAUS KOSTKA CHURCH
1506 WASHINGTON STREET
MICHIGAN CITY, INDIANA 46360

On October 10, 2026, St. Stanislaus Kostka Parish will be celebrating the 100th anniversary of the dedication of our magnificent and historical church. We have planned events for that weekend, concluding with a Gala Celebration at the Stardust Event Center in Michigan City.

Although the parish was founded in 1891, the current church building was completed in 1926, following 10 years of construction that coincided with World War I, the Spanish Flu Pandemic, and local economic recessions. It is a towering landmark representing early community development in Michigan City and a symbol of the historic immigration movement that began in the late 1800s. At the time, parishioners were primarily blue-collar Polish immigrants brought to this area during the Great Wave of Immigration. Those first parishioners actually helped build the church, including the foundation work which was dug by hand, bucket and shovel. As part of the Haskell and Barker National Historic District, St. Stanislaus Kostka Church has deep roots and remains a tangible and functioning part of US, regional, and personal histories. The church is a treasure. A rare example of architecture, art, and craftsmanship, it has remarkably remained true to its original purpose for 100 years and continues to watch over this growing city.

We are asking local companies to participate in an advertising program booklet that will be distributed at the Gala Celebration on October 10, 2026. With over 400 current families, and with more than 1,000 active school alumni, you have undoubtedly met many of us through your business, as employees, clients, and customers. In addition to having the opportunity to advertise in our 100th Anniversary Gala Program, you also have the chance to congratulate and thank those who have generously supported your business over the years.

Ad options are included with this request. Checks should be made out to:
