SIGNATURE JOURNEY

Welcome to Ireland, Scotland with an England &Wales (Extension)

There are some journeys that seem to have a little magic woven into them — and we think this may be one of those.

For three unforgettable weeks, we'll travel through a world of **windswept coastlines, ancient castles, rolling green countryside, legendary cities and landscapes filled with stories.**

We'll wander the streets of Dublin, stand high above the Atlantic at the Cliffs of Moher, travel the spectacular Ring of Kerry and cross the Giant's Causeway. We'll raise a glass in Scotland, journey through the Highlands, visit the islands of Mull and Iona and walk Edinburgh's historic Royal Mile.

And the adventure doesn't stop there.

We'll continue through historic York and into Wales, discover Shakespeare's England, explore beautiful Bath, stand before mysterious Stonehenge and finish our journey among the iconic sights of London.

But as always, the places are only part of the story.

It's the pint shared in an Irish pub. The first glimpse of a castle through the mist. A wee dram of whisky in Scotland. The unexpected little village you never knew you'd love. And the laughter and friendships that happen somewhere along the road.

Those are the moments we travel for. ❤️‍🩹

So pack your sense of adventure — and perhaps a rain jacket 😂 — because we're heading across the pond for one incredible Celtic journey.

We can't wait to experience it with you.

— Lori & Donna
