Governor Ivey Releases Mask Signage for Businesses

MONTGOMERY – Governor Kay Ivey on Monday revealed signage for business owners to encourage employees and patrons to wear a mask to prevent the spread of COVID-19. The current health order mandating statewide mask wearing will end at 5 p.m. on April 9, 2021.

“After April 9, masks will no longer be a mandate, but they remain one of the most successful tools we have to keep folks safe from COVID-19,” Governor Ivey said. “I hope these are helpful to businesses around the state as they set their own protocols to operate safely. Masks are soon to be a memory but until then, lets wear them out!”
