

SHOW A SMALL BUSINESS SOME LOVE TODAY!

SHOP LOCAL FIRST

As often as possible, consider shopping at a local business first instead of a larger chain store for goods and services.

BUY A GIFT CARD!

Buying a gift card is a great way to support your favorite local business! Buy one now while you are stuck at home and use it later.

SHARE YOUR FINDS ON SOCIAL MEDIA!

If you order takeout from your favorite local restaurant, snap a picture and share it to your social media. This is a great way to promote that restaurant and show support.

USE CURBSIDE OR DELIVERY SERVICES!

Many of our restaurants, and local merchants are offering curbside and delivery services. Utilize these services to continue to shop local!

SHOP LOCAL ONLINE!

Most of our retailers have websites in addition to their store fronts, where you can purchase their merchandise online. Consider placing an order online or over the phone!
