

Coffee County Family Services Center

Christmas in August Bicycle Drive

In 2020, Coffee County Family Services assisted more than 1000 children with Christmas toys and bicycles but because of supply chain issues, many of those who needed bicycles and tricycles did not receive one. We are starting our bike drive early to avoid the Holiday rush! Our goal is to collect 400 NEW bicycles and tricycles by September 30th. Please drop off new children's bicycles or a donation to purchase these to our wonderful partners at Mitchell Mazda or Century 21 Regency Realty. Your contribution is tax deductible and is so appreciated by the children of Coffee County!
