

Prevention Partners

Please consider a partnership with the Pike Regional Child Advocacy Center for April Awareness Month to acknowledge the importance of communities working together to prevent child abuse and neglect. It should never hurt to be a child, and the PRCAC is working to protect children - one family at a time.

Pinwheel Garden Partner

Pinwheels are the national symbol for child abuse prevention representing the chance of a healthy, happy and full life that children deserve. Plant a pinwheel garden to remind our community of how important it is to give children the opportunity to have great childhoods.
